

(6) Members entitled to vote may send in their voting papers to the Secretary within two weeks previous to the meeting at which election is to take place.

The committee earnestly requests all members of the Association to send in their voting papers on or before March 21st.

Railway certificates for reduced fares together with a programme of meeting will be forwarded to each member in due time.

As the Association has now a representative on the Foreign Field, a journal under its auspices which is second to no other magazine in the Dominion, and stands upon a basis stronger than in any period of its past history, every effort should be put forth to make the approaching meeting a success. Questions of vital importance to the interests of the college come before us. The work can only be done by each Alumnus recognizing his own individual responsibility, and bringing with him to the meeting, enthusiasm, determination, and the realization that to advance the interests of the college is to advance the work at large.
