## Commercial Summary.

REMOVAL.—The editorial and business offices  
of the JOURNAL OF COMMERCE have been removed  
to the Citizens Insurance Company's buildings,  
179 & 181 St. James Street, first floor,—opposite  
the City & District Savings Bank.

The Asbestos Mining and Manufacturing  
Company at Quebec will shortly commence  
operations in their premises in that city.

The new factory at Picton, Ont., belonging  
to the Canada Spring Horse-shoe Co. is about  
complete, and the machinery is being placed in  
position.

The Kingston grocers are about to close  
their stores at six o'clock every evening,  
except that of Saturday.

MESSRS. Bambrick & Wall, a small grocery  
firm in Ottawa, are reported to have assigned;  
the amount of the liabilities is not yet known,  
but is supposed to be small, due chiefly in  
Ottawa.

The Marmora Gold and Iron Company, with  
a capital of \$500,000 has been organized at  
Belleville, with Mr. T. P. Pearce, of Marmora,  
elected President. The head office is to be in  
Toronto.

The Ontario & Quebec Railroad from Shar-  
bot Lake to Perth is being constructed as  
rapidly as possible, and it is expected that by  
the end of July trains will be running over the  
line. The bonus, by-law granting \$10,000, will  
be voted on about the 1st June next.

W. C. McKay, the shoemaker at Kincardine,  
referred to last week as having failed, owes  
about \$1,200, and his assets, consisting of stock,  
have been sold at 59¢ on the dollar. McKay  
had been in business about five years, and attri-  
butes his difficulty to the pressure of one of his  
creditors.

THERE is a project on foot to erect an elevator  
at Strathroy, Ont. The business men generally  
are taking hold of it, and the stock will no  
doubt be quickly taken up. The proposed  
elevator is to have a capacity of from 50,000 to  
60,000 bushels. The town has just been sup-  
plied with a number of street lamps, which  
give the place quite a city appearance.
