### PRESIDENT'S ADDRESS—ONTARIO MEDICAL ASSOCIATION.\*

BY W. BURT, M.D., PARIS, ONT.

---

*Ladies and Gentlemen,*—I cannot fully express myself for the honor I received at your hands at our last annual meeting. My voice is not strong enough to express my appreciation of your good will towards me and my confreres from the West. I feel my inability to do justice to the position to which I have been exalted, and I will crave your patience and sympathies for a brief space of your time.

I cannot vie with those who have preceded me in this honored chair; I can only strive to emulate them. We have already an honored list of Past Presidents, and, while the time now is short when I will be with them, I feel that my interest in this Association will ever increase as the years roll by, and I can never for a moment believe that our Association will ever wane, but that its usefulness and power will increase from year to year, and that it will be a standing authority on Provincial matters concerning our profession.

I am sure we may well feel proud to-day to celebrate the 25th anniversary of our existence. We have arrived at the quarter-century mark in a very healthy and prosperous condition, and I do not fear—I feel I can be prophetic—that those who will celebrate the fiftieth anniversary of this Association will, when it arrives at the half-century mark, find that medicine has made even greater
