

# Pure Malt Stout

This excellent preparation is a

## Strictly Pure Concentrated Extract of Malt

the malt used in its manufacture being specially prepared under an entirely new process, and is a new departure from all other methods of preparing malt extracts. It is generally acknowledged to be the most delicate preparation ever obtained from malted barley. It has been pronounced by leading physicians to be a

## Powerful Nutritive and Tonic

and is especially recommended in cases of malnutrition, convalescence from fevers, gastric disorders, general debility, and particularly for all pulmonary affections. It being a particularly refined preparation, it can be used by the most fastidious. This is the only

## Pure Malt Stout

manufactured on the continent of America, and the brand has been secured by registration, so that none other is genuine.

This Stout is recommended by Dr. Laphorn Smith, Montreal, Dr. J. Ferguson, Henwood, and Dr. J. L. Davison, Toronto.

## FOR ANÆSTHETICAL PURPOSES.

(The above have been manufactured by our firm for over forty years, and are being used by leading Surgeons and Physicians in Canada.)

The late Dr. J. H. McCollum said of our Chloroform, "that during the nearly five years that I held the position of Medical Superintendent of the *Toronto General Hospital*, the Chloroform manufactured by **The Lyman Bros. & Co., Ltd.**, was administered to about *one thousand* annually, and in no case had we fatality from it. *I have also used it for thirteen years* in private practice."

Dr. T. G. Johns on, Sarnia, says: "For the last six or seven years I have used no other Chloroform than that manufactured by **The Lyman Bros. & Co., Ltd.**, both in surgical and obstetrical practice, and have had, and still have, every reason to be thoroughly satisfied with it."

We claim the

following advantages

- 1st. Its Comparative Cheapness.
- 2nd. The stage of excitement is not nearly as great as with other makes.
- 3rd. The after-effects are not so pronounced.
- 4th. No offensive odor during administration.

Dr. O'Reilly, Medical Superintendent of *Toronto General Hospital*, says of our Ether Sulphuric: "During the last several years the Ether manufactured by **The Lyman Bros. & Co., Ltd.** has been extensively used for anæsthetical purposes in *Toronto General Hospital*, and no accident has taken place from its administration."

Dr. James F. W. Ross says: "I have overcome my former prejudice against Ether, but **The Lyman Bros. & Co., Ltd.**, are now supplying an article put up in  $\frac{1}{2}$  and  $\frac{1}{4}$  lb. tins equal to any in the market. I have used it frequently, and have seen it used by others during the last twelve months for operations of all degrees of severity. The after-effects are no greater than after Squibb's or any other pure Ether."

We claim for this absolute purity and comparative cheapness. When ordering, specify LYMAN BROS.
