The Goldie & McCulloch Co., Ltd.
GALT — Ontario — Canada.

Recently received the following unsolicited testimonial which speaks for itself:

Toronto, Aug. 6th, 1902.

The Goldie & McCulloch Co., Galt, Ont.

GENTLEMEN:—In our recent fire which as you know was a total wreck and of which we are sending you a photo by this mail, we had two Goldie & McCulloch safes in which we kept all our books. They have come through the fire in remarkable shape and we feel that our praise for your safes cannot be great enough. This fire was an extremely hot one, the locality in which these safes were being surrounded by hay and grain, as well as large quantities of packages, barrels and boxes. We might say that everything was burned to a crisp, heavy iron being twisted and melted into frightful shape. We had almost given up all hope of being able to get the books and documents from the safes in such a manner as to make them of any use to us, which we can assure you would have been a very serious matter. We were agreeably surprised, however, on reaching them. While we found the safes somewhat warped and bent on the outside, yet all our books and documents came out in such a manner that we can get everything from them all right. This without a doubt was an extremely hot fire and the way in which they came through it leaves no room for question as to the manner in which they are made and the stuff they are made of.

Again congratulating you on the safes which you turn out and trusting that we shall have the pleasure of purchasing from you when we rebuild again, as we know of none better, we are,

Yours truly,
P. McIntosh & Son.
