Individual vs. Corporation Management

INTEGRITY, responsibility, good judgment regarding investments, knowledge of the law respecting trusteeship, executive ability—and these sustained without interruption—are necessary under modern conditions before a trustee can be considered wholly competent.

All of these qualifications can be rarely found in a friend or individual.

THE STERLING TRUSTS CORPORATION possesses all of these essential qualifications of a competent trustee, including assured existence throughout generations of beneficiaries.

The Company will afford complete protection to your estate if appointed executor and trustee under your will.

Our officers will be glad to confer with you in regard to the making of your will or the management of your estate.
