MUTUAL INSURANCE

FOR

COMMERCIAL MEN.

The Board of Directors of the Beaver and Toronto Mutual Fire Insurance Company have opened a Water-Works Branch for the exclusive purpose of insuring property situated within range of the hydrants connected with the Water Works of Toronto, Hamilton and other cities having similar facilities for extinguishing fire.

By the passage of the Mutual Insurance Companies Act of last session of the Ontario Legislature, all the vexatious clauses of the old Mutual Insurance law have been entirely removed. No lien or real estate, no liability for any payment over and above the amount of the premium note can hereafter exist. No premium note, even, is necessary, but a simple "undertaking" to pay assessments up to a limited amount, thus removing a very general objection on the part of mercantile men heretofore felt by them.

THE WATER WORKS BRANCH will insure, for three years, all property coming under the above class, on receiving the "undertaking" of the insured for four times the usual annual rate, and will collect thereupon a first payment of 10 per cent., and will assess thereon at the rate of 20 per cent per annum only at the periods of six, eighteen, and thirty months respectively from the date of each policy, and for no larger sum unless required to pay extra losses occurring within the said Branch.

Application may be made either at the Head Office, over Toronto Bank, or to the undersigned.
