

4. The United Nations programme is to be a supplement to the general recovery effort that will be undertaken by the Korean people on their own initiative and responsibility, through the most effective utilization of their own resources as well as of the aid which is rendered under the programme.
5. Whilst the programme should be consistent with the pattern of long-term economic development in Korea, it is itself necessarily limited to relief and rehabilitation, and contributions and supplies furnished under this programme shall be used exclusively for that purpose.
6. First priority shall be given to the provision of the basic necessities of food, clothing and shelter for the population of Korea and measures to prevent epidemics. Second highest priority shall be given to projects which will yield early results in the indigenous production of basic necessities; this will include the reconstruction of transport and power facilities. As the programme develops, emphasis should be shifted to the provision of other materials, supplies and equipment for the reconstruction or replacement of war-damaged facilities necessary to the economic life of the country.
7. The necessary measures shall be taken to ensure that distribution shall be so conducted that all classes of the population shall receive their equitable shares of essential commodities without discrimination as to race, creed or political belief.
8. Subject to adequate control, the distribution of supplies shall be carried out, as appropriate, through public and co-operative organizations, through non-profit-making voluntary organizations such as the Red Cross, and through normal channels of private trade. At the same time, measures shall be taken to ensure that the cost of distribution and the profit from the sale of supplies are kept to the minimum. Measures shall be taken to ensure that the special needs of refugees and other distressed groups of the population are met through appropriate public welfare programmes, and accordingly the sale of relief supplies will take place only in justifiable cases and under conditions agreed upon with the United Nations Commission for the Unification and Rehabilitation of Korea.
9. The local currency proceeds derived from the sale of relief and rehabilitation supplies or, at the discretion of the Agent General, an amount commensurate with the value of goods and services supplied, shall be paid into an account under the control of the Agent General. The Agent General, after consultation with the United Nations Commission for the Unification and Rehabilitation of Korea, and in agreement with the Advisory Committee referred to in paragraph 6 of section A of the present resolution, shall use these funds for appropriate additional relief and rehabilitation activities within Korea, for the local currency expenses of the relief and rehabilitation operations of the United Nations, or for measures to combat inflation. The proceeds shall not be used for any other purpose.
10. The necessary economic and financial measures shall be taken by the authorities in Korea to ensure that the
