

ANNEX 1

Route Schedule

Section I

Passenger-combination and/or all-cargo services may be operated on the following route by the airline(s) designated by the Government of Canada:

Points in Canada	Intermediate Points	Points in Kuwait	Points Beyond
Any point or points	Any point or points in third countries	Any point or points	Any point or points in third countries

Notes:

The Contracting Parties confirm the following requirements.

1. Each designated airline may, on any or all flights and at its option, operate air services in either or in both directions, serve points on the route in any combination and omit stops at Intermediate Points and Points Beyond, provided that all services originate or terminate in Canada. For own-aircraft all-cargo services, Points in Kuwait may be served separately or in combination. Two points in Kuwait may be selected by Canada for own-aircraft passenger-combination services which may be changed on sixty (60) days notice to the aeronautical authorities of Kuwait or such lesser period as may be approved by the aeronautical authorities of Kuwait. Should two points be selected by Canada for own-aircraft passenger-combination services, they shall only be served in combination. Only one point in Kuwait may be selected for passenger-combination code-sharing services.
2. Transit and own-stopover rights shall be available at Intermediate Points and at Points in Kuwait. Fifth freedom rights for own-aircraft all-cargo services shall be available between any Intermediate Points and Points in Kuwait and between any Points in Kuwait and any Points Beyond. Fifth freedom points for passenger-combination services may be decided upon between aeronautical authorities.
