

Wrote you about April 25<sup>th</sup>  
when I hope I shall have  
the pleasure of meeting you  
again and of seeing Brothers  
of the Great University.

I shall be at The Chemists  
Club, 52 East 41<sup>st</sup> St. New  
York for some days after  
the Yale ceremonies and  
I shall be glad to hear  
from you but it will be  
impossible to visit New York.

With all kind regards  
to Lady Currie and yourself

Believe me,

Very sincerely yours
