Whitney Museum of American Art,
10 West 8th Street,
New York, N.Y.

Dear Mr. Bilotti,

Thank you so much for your letter of May 13th, in which you tell me that Mrs. Whitney has authorized work to start immediately on the completion of the fountain. I was glad you came to see me; I always find that a personal chat is worth a volume of correspondence. All of us at McGill will be very happy to see the fountain completed according to the original design of the donors.

With all good wishes,

I am,
Ever yours faithfully,

Principal.
