

February 7th, 1928.

R. H. Young, Esq.,
1190 - 12th Avenue West,
Vancouver, B. C.

Dear Sir:-

I acknowledge receipt of
your letter of January 29th.

I have no idea what a cure
for cancer would be worth, and I respectfully
suggest that you take your cure to some reputable
physician in Vancouver and have him investigate
its merit. It is a great pity that the world
does not know of your cure in view of the untold
sufferings caused by the ravages of cancer.

Yours faithfully,

Principal.
