## PRICES FIRM

Hog Figures Easier - Sheep,

Receipts of live stock at the Union Stock Yards were 70 cars, comprising 358 cattle, 2662 hogs, 64 sheep and lambs and 162 calves.

There were few good to choice cattle on the market, and considering this fact prices were as good, if not better, than any day during the week, but this was on account of the light delivery of cattle of the right kind.

Sheep, lambs and calves were unchanged but firm.

Hogs were, if anything, a shade easier.
