Over 200 Guests at Annual Banquet of Hamilton Branch of the C. M. A.

HAMILTON, March 16 .- (Special.)speaker at the annual banquet of the Trustee Lewis Would Add Still Hamilton branch of the Canadian Manufacturers' Association which was held at the Hotel Royal this evening, and at which almost 200 were present. Speaking in response to the toast of Considerable time was occupied at the meeting of the board of education exclusively to the subject of reciprocexclusively to the subject of reciproc-

He thought the government had failed absolutely to justify itself on the agreement proposed, and had made nothing but a terrible waste of time in disputing the policies of old Sir John A. Macdonald, of Blake, and of Howe. No country was better off on Jan. 1 No country was better off on Jan. 1 of this year, he said, than Canada, taking the population of the countries of the world per head in comparison. He deprecated the ltck of reply of Laurier to the queries of the house. There should have been a commission to enquire as to the feeling thru the country before going to Washington, or at least told the house, when it was asked to vote on the reciprocity problem.

said it would drop to 20 cents a bushel if Cantda contributed to the present U. S. high priced market. It should be remembered that a few farmers in the states raised No. 1 malt barley. He deplored the idea of Canada put-ting itself under the heel of a nation ten times stronger thatn it, and pointed to the inevittble trend of such an agreement as destroying the loyalty of the population. It was also inevitable that the stronger should dominate and

dictate to the weaker.

He concluded by stating that in a matter which involved the future of Canada, which looked like the future of the predominating portion of the empire, in such a way as tis question did, there should be careful and full consideration before even contemplating such radical changes in fiscal policy as the proposed agreement would

Dr. Falconer, president of Toronto University, and H. N. Kittson of the Ontario Railway and Municipal Board, also spoke. Others at the head table also spoke. Others at the head table were: Arthur F. Hatch, president, in the chair; and W. B. Tindall, R. S. Gourlay, H. L. Frost, H. Y. Bertram, C. R. McCullogh, W. H. Rowley, E. D. Smith, Geo. Booth, J. P. Murray and Controller W. G. Balley.

WANT INQUIRY INTO FRATERNAL INSURANCE

J.O. U.W. Will Ask Ontario Government to See That Basis is Sound.

That the Ontario Government should appoint a commission to investigate fraternal insurance in Ontario, so as to ensure its being on a sound basis, was adopted by the Grand Lodge of the A.O.U.W. yesterday.

After discussing the cost and value of life insurance and getting the best expert evidence obtainable on valuation of policies held by members of all ages, accepted by fraternal insurance orders, this resolution was adopted: Moved by J. M. Peregrine, P.G.M.W., Hamilton, seconded by Capt. T. M. Cornett, P.G.M.W., that this Grand Lodge of Ancient Order of United Workmen of Ontario, in annual session assembled, respectfully request the Ontario Legislature to appoint a commission to enquire into and take such action as may be necessary to place all fraternal benefit orders working under provincial charter on a safe and business-like basis to enable all the fraternal societies to meet the promised benefits when they become claims, and that a committee from this grand lodge do wait upon the Ontario Government to present the matter before them contained in this resolution.
