ANOTHER POLO POSTPONEMENT

International Teams Hope to Cross
Mallets in Second Game To-Day.

NEW YORK, June 5.—Interest in the
International Polo Cup series is
stretched over at least 24 hours be-
cause of rain. The rain which de-
layed the first match from Wednesday
to Thursday last week, came even
heavier during the forenoon to-day,
and caused postponement of the sec-
ond contest. The teams hope to cross
mallets to-morrow afternoon, provid-
ed the weather does not again disap-
point them.

As the coronation of King George
draws closer and all the English
officers have assignments at that event,
every day's delay means fewer hours
between the two remaining matches.
The third match will probably be played
either Thursday or Friday.

When the morning storm ceased to-
day, the ponies trotted out at their
stables for the customary afternoon
gallop over the turf, while all the
players were given mounts in order
to keep the muscles limber and the
eyes and hand in good shape. On ac-
count of the uncertain conditions of
the turf, the trotting this afternoon was
not at a fast clip, for neither side
cared to risk a strained tendon at the
critical stage in the contest for the
cup.

The line-up to-morrow will probably
be unchanged.
