the Masters.

London, Feb. 14.—The application of Bolshevik principles to education is producing the same chaos in the schools and universities of Russia as they produced in other institutions.

Reuter's correspondent has interviewed two English teachers of the Moscow Academy who left Russia three weeks ago. They said that boys and girls are herded together indiscriminately in the schools which are really bear gardens. There is no semblance of morality. No works.

In the meeting decided to hold a mass meeting of organized labor at Massey Hall in the near future to discuss towards labor and in its general policy. He claims that its expenditure proposals for reconstruction and the relief of unemployment are timely and the first available among the provinces of Canada. He does not in this statement refer once to the temperance issue expolicitly. His speakers also have placed all their later emphasis upon the assertion that St. Catharines can expect nothing from the election of Longdon.

Outside the range of the election ment and government retatives.
