

PLENTY OF NOVELTIES FOR THE LITTLE FOLKS.

THE BOYS' DEPARTMENT

is now replete with new, bright and seasonable apparel for fall and winter wear, and it is our purpose from now till Christmas to introduce a series of sales that will eclipse all former efforts, and that is saying a great deal. However strong the argument we stand ever ready to prove our words and there is no possible chance for anyone being the loser unless it be ourselves, for one of the controlling principals of the store is to REFUND YOUR MONEY AND TAKE BACK OUR GOODS if they are not perfectly satisfactory. This can plainly be seen to open up an avenue of escape for every buyer. Realizing that actions speak much plainer than words we will say no more, but "by our actions we are judged."

OBLIGING SALESMEN WILL SHOW YOU EVERY ATTENTION.

Can't come to the city? Well, We'll send a portion of the city to you. Ask us.

Shirt Department

If our business were the manufacture and sale of shirts alone we could not afford such shirt value as we give. The saving in expense results from selling shirts in connection with all other lines of Men's Requirements is a matter of no small moment and permits of closer figuring along the entire price line.

Our shirts are the fruit of a thorough system, perfected by long manufacturing experience and constant study of the best methods. A degree of uniformity and perfection has thus been attained and that leaves little to be desired.
