MAKE NEW BLOOD.

That is What Dr. Williams' Pink Pills
Do—That is Why They Cure
So Many Diseases,

When persons have not enough blood, or when their blood is weak and watery, the doctors name the trouble anaemia. Bloodlessness is the direct cause of many common diseases, such as indigestion, palpitation of the heart, debility, decline, neuralgia, nervousness, rheumatism and consumption. The surest signs and consumption. of poor blood are paleness, bluish lips, cold hands and feet, general weakness, low spirits and headaches and backaches. If anaemia is not checked in time it will probably develop into consumption. There is one certain cure for anaemia—Dr. Williams' Pink Pills. These pills actually make new, rich, red blood, which fills the veins and brings new life, new energy and good health to bloodless people. In proof of this Miss Mabel Clendenning, Niagara Falls, Ont., says: 'For two years I suffered from anaemia. I was weak, thin, had no appetite; I sometimes had distressing headaches, and felt low spirited. My heart would palpitate violently: I could do no work around the house: I became very pale and my nerves got unstrung. The efforts of two good doctors falled to help me, I was in such a pitiful state. One day a friend urged me to try Dr. Williams' Pink Pills and I did so. Soon I saw the pills were helping me and by the time I had taken nine boxes I was completely cured. I had a good appetite, gained in weight. I hadn't an ache or pain, could sleep well and I am in far better health now than I ever was. I cannot speak too highly of what Dr. Williams' Pink Pills have done for me."

What Dr. Williams' Pink Pills have of poor blood are paleness, bluish lips, cold hands and feet, general

of what Dr. Williams' Pink Pills have done for me."

What Dr. Williams' Pink Pills have done for Miss Clendenning they have done for thousands—they will do for you. But you must get the genuine with the full name "Dr. Williams' Pink Pills for Pale People" on the wrapper around every box. If your dealer has not got the genuine pills you can get them at 50 cents a box or six boxes for \$2.50 from The Dr. Williams Medicine Co., Brockville, Ont.
