Regarding the hearing of the citizens' express and freight campaign case be-fore the Dominion Railway Board Mayor Church has written the secretary of the campaign executive committee as follows: "I am arranging an appointment with Mr. Cowan in the mayor's office and will notify you later on in the week. So far as the city is concerned there will be no delay, and we intend to have the matter delayed of at the next sitting of the commission, which will be about the end of the month." Returned Soldiers Guests

At Central Methodist Church

Upwards of fifty returned soldiers will be entertained to tea and a social evening at the Central Methodist Church, Ascot avenue, Earlscourt, at 7.30 p.m.

The party will be the guests of the Young Ladies' Club connected with the church, and the men who have been overseas of the Earlscourt district will also be invited.

Twelve of the returned soldiers from Knox military convalescent home and A nox military convalescent home and 32 from the home on College street will be brought in motor cars to the corner of St. Clair ayenue and Duf-ferin street arriving about 7.50, from whence they will march to the church whence they will march to the church The children and residents of the district are invited to assemble on St avenue to welcome the men.

MOUNT DENNIS

Mount Dennis Contributes Creditable Sum to Red Cross

The school trustees' committee suc-cessfully undertook the British Red Cross compaign for Mt. Dennis. In spite of the adverse weather conditions between 3250 and \$300 was collected. This amount is even better than last, year. The smount collected was from Mt. Dennis and does not include the adjoining districts. and does not include the agnificent districts. Dr. Pearson has had two magnificent brick pillars built in the front of his residence, upon the top of which has been placed two large electric lamps. These barnes are not only an improvement, to

blaced two large electric tamps. These lamps are not only an improvement to his home, but they also give an excellent light in the vicinity. The Mt. Dennis Red Cross officers for the coming year afe: President. Dr. Alken: secretary, J. Pascoe; treasurer, G. L. Hodgson.

Hair Tonic at Home

Hair lonic at Home. If you have been using hair tonics pur-thased ready-made at the drug stores of a great deal botter results by using markably successful in stopping loss of hair and making new hair grow on badi to then add one-half drachm of menthoi crystals and a little perfume, if desired, bofore using. All these ingredients cash store. In applying, be sure to not merity into the scalp, as its ability to grow new hair depends entirely upon its nourish to the scalp, as its ability to grow new hair depends entirely harmless, and the being absorbed by your hair roots. This preparation has been widely used wet the bair, but rub the tonic right into the scalp, as its ability to grow new hair depends entirely harmless, and the scalp, as its ability to grow new hair depends entirely harmless, and the scalp, as its ability to grow new hair depends entirely harmless, and were received by the bride. The bolick ebony tollet set and a sealskin were received by the brides. The bridegroom's present to the bride was black ebony tollet set and a sealskin bilt a beautiful gold ring set with the October birth stome, to the beide the october birth stome, to the beide the october birth stome, to the best man a diamond stick pin.

Hospital, England. There are other relatives in the King's uniform.

EAST TORONTO

SWALES-SIMNET.

A very quiet October wedding took place yesterday morning at 8 o'clock at St. Joseph's Catholic Church, Les-

lie street, East Toronto, when Miss E. Simnet, eldest daughter of Mr. Thomas S. Simnet, Victoria Harbor, was married to John J. Swales, son of Mr. and Mrs. Osborne Swales, Mid-land, Ontario. of Mr. and Mrs. Osborne Swales, Mid-land, Ontario. The wedding was very quiet owing to the death of the mother of the bride's uncle, of St. Thomas, which occurred on September 4 last at Windsor, Ont,

Altho the northwest section of the city has sent large number of men to the bride's uncle, of St. Thomas, which occurred on September 4 last at Windsor, Ont. The ceremony was performed by Father O'Leary, and the bride was at-tended by her elder brother, Thos. Simnet, jr., as her father was unable to be present. The bride was attend-ed by Miss F. Kerney; the flower sirls were Misses Ethel, Bernice, May and Constance Simnet and Marjory Heywood, cousins of the bride. The bride was married in a bridal robe of cream satin trimmed with chantilly lace, her honiton veil of applique was caught up with orange blossoms and she carried an armful of white roses. The reception was held immediately after at the home of her aunt on the present time excavation work

lace, her honiton vell of applique was caught up with orange blossoms and she carried an armful of white roses. The reception was held immediately after at the home of her aunt and uncle, Mr. and Mrs. S. T. Ridley, 1111 Fast Oven street prominent east-end

At the present time excavation work is in progress for a large garage and motor repair works on the corner of Davenport road and Ossington avenue for Albert and Joseph Shuter, agents for the Ford Motor Company. East Queen street, prominent east-end stationers, who have become very highly thought of and very popular since they engaged in business at the above address. The bride has made her home with them since their re-moval from Grimsby. The bride's wedding breakfast was served at this

Farmers Are Making Headway Every Available Man Working

Farmers are making wonderful head-way these days with the ordinary farm operations, held up for wocks by the drought of the latter part of the sum-mer. Every available man and team in all the central districts of Ontario is be-ing pressed into service in the hope of overtaking it, and the demand for men is far from being filled. The season is fully a month behind filled. The season is fully a month behind that yeer or any normal season. Fasturage has improved greative during, the last to trugth, and it looks as the live stock will be able to rustle for a fiving until well on in the fail. The guests who signed the bride's register were: Mr. and Mrs. A. W. Guy, aunt and uncle of the bride; Dr. and Mrs. Brown, aunt and uncle of and Mrs. Brown, aunt and uncle of the groom; Mr. and Mrs. Fred Hey-wood, Mr. and Mrs. F. Clarence Sim-net, Mrs. T. Bate, Mrs. Emma Chil-man, Miss J. Foster, Mrs. Geo. Ward, Miss J. Crowte, Mrs. M. A. Young, W. D. Ball, Miss A. Coleman, Miss A. O'Donnell, Miss M. Emmons, Miss Brydie Breen, Miss Winnifred Hobby, Miss Horn. Miss Margaret Edgar, Mid-

HOUSE IS LOOTED.

The residence of Mrs. C. Dane near the Old Mill on the Humber Elver, was entered on the week-end and practically everything of a movable nature stolen. The thleves are supposed to have effect-ed an entrance thru the cellar window. The county poice are working on the case.

AARON ERB DEAD. One of Kitchener's Most Prominent Busi-ness Man Expired on Streets of Brandon. Kitchener, Oct. 24.—That Aaron Erb, aged 60, owner and manager of the Do-minion Shirt Company, had been found dead in the street at Brandon. Manitoba. at noon today, was the news received by his wife this afternoon. He was one of Kitchener's foremost citizens, and most successful business men. The body will be brought home for burial. To remove freckles, blotches or any complexion difficulty, the best thing to to is to remove the skin itself. This is pileation of ordinary mercelized war. The max peels off the defective outer skin. a second layer of skin to view. The new successful business men. The body will be brought home for burial.

Servicè that is Service

We have an Inspection Service for users of Typewriters.

A mechanic will call monthly to oil, clean, adjust, repair your Typewriter and supply a new ribbon-all for the small charge of \$1.00 per month.

Proper attention at regular intervals is needed by typewriters as well as by machin-ery of other kinds.

UNITED TYPEWRITER CO., Limited od Building, 185 Victoria St., Toronto, Ont. Branches in all Canadian Citics.

It is essential that this be done by a type-writer mechanic, because the operator is seldom qualified to make adjustments or repairs.
