### KITCHENER HANDED AREAL TRIMMING

#### Granites Earned Clever Victory in Their Opening Championship Game.

Granites handed a real trimming to the former Allan Cup holders and O. H. A. champions at the local arena on Saturday night. The score was 4 to 1, and all but one of the goals were scored in the second period. There was a score in the first session, and Granites were leading, 3 to 1, at the end of the second, and Watson scored the final one with less than a minute of play.

Jerry Lammie made his initial appearance of the season in the game, and, while very much out of condition, was a source of considerable strength to the winners. He was in the middle of the first period, but returned at the start of the second period and played the balance of the game. The game of several former stars who have been overseas, and who were away from the game, was surprising, considering their long absence. Komert, Watson and Long composed the regular forward line and worked very well together. They are all big and fairly fast, and are not averse to handling out the odd bump to two, and they have the best of it. The forward line, as above, have an average weight of 175 pounds.

Hillman, Parks, Merrick and Trushinski were the best for the visitors, with the work of Parks standing out. He is easily the best man on the team, and worked hard all evening, and scored Kitchener's only tally. The balance of the Kitchener team gave the appearance of having lost their bearings and could not get going. Shirk of the intermediates was used as a substitute, but plainly will not do in senior company, and was used but little.

The first period passed without a score for either team, but Addison saved a sure counter when he went to his knees to stop Merrick when the latter was right inside. He drew a penalty, but no damage resulted during his absence.

Aid opened the scoring from the face-off to start the second period, and beat out the puck. Parks pulled a pretty play to tie it up eight minutes later, when he took the puck down and shot, the puck being cleared behind the net, and when Hillman passed out in front, Parks added one and shot between his legs for a tally. Watson counted two goals for Granites, and the period ended 3 to 1.

The final period showed some very close checking and desperate efforts on the part of the visitors to even it up, but it was no use, and with only a minute to go, Watson took the puck, and with nobody to beat but Hainsworth, scored the final goal.

The work of Referee Tom Munro was of the best, and he was not actually interfering with the play by keeping in the middle of the rink, but was used for interference purposes by the players on both teams.

Before leaving Kitchener, the visiting team held a meeting and elected "Snooter" Trushinski captain.

Teams and Summary. Granites (4)—Hainsworth, Goal. Addison, Kargars, Defence. Trushinski, Hillman, Centre. Watson, Clarke, Left wing. Ald, Parks, Right wing. Merrick, Sub. Smith, Shirk, Sub. Wright, Referee—Tom Munro.

### THE CANADIENS RAN UP SCORE ON ST. PATRICKS

Montreal, Jan. 11.—Showing a complete reversal of the form, the players of the Canadiens hockey club, who were defeated by the St. Patricks of Toronto, at Mount Royal arena, on Saturday night, in a decisive manner by 14 to 2.

The Canadiens managed to get a good sheet of ice and the players cut out a fast pace, maintaining it throughout the game, with the exception of intervals when Canadiens eased up for a breathing spell. The management of both teams used their substitutes frequently, and Canadiens in an effort to give each player an opportunity of a work-out, and St. Patricks to keep the local team and overcome a commanding lead secured by the Canadiens in the first twenty minutes of play.

As the game progressed, the individual rushes by members of both teams, the majority of the goals coming from the Canadiens, who played combination, while St. Patricks relied on individual rushes to score. The Canadiens' attack was brilliant, and they were entirely on individual rushes to score. The Canadiens' attack was brilliant, and they were entirely on individual rushes to score.

### DENTS PLAY RINGS AROUND PITTSBURG

#### First Defeat at Home Since Aberdeens' Visit Three Years Ago.

Pittsburg, Jan. 11.—The Dentals of Toronto found themselves last night, and played rings all around the crack P. A. A. hockey team at Iquesque Garden, defeating them by a score of four goals to one. While the locals pleaded that they were weakened by the loss of Herb Drury, who was hurt in Friday night's game, they nevertheless had enough stars left to put up a hard game, especially in the third period, when they scored their first defeat since 1917 starting them in the face.

However, the great defensive playing of Brown, Box and Stewart was enough to keep their net free from danger, and the Canadians came out of the contest a west-bound victor. Hank Madden tied the only Pittsburg goal in the first period, and the visitors were one behind in the second period. They were tied in the third period, but the Dentals scored another safe shot from Rennie's stick, before the whistle blew Brown had put them further ahead with a nice shot from right wing. The locals fought like tigers in the last period, but they couldn't score. The puck ended in the hands of the Dentals, who scored the fourth goal for the Canadians, the game finishing at that. This was the first defeat for the Pittsburg team since the Aberdeens beat them in 1917. The line-up: P. A. A. (Goal. Fuller; right defence. Manners; left defence. Nagle; right wing. J. McCormick; left wing. Madden; goal. L. McCormick).

Dentals (4)—Centre, Stewart; right defence. Box; left defence. Brown; right wing. Hudson; left wing. Rennie; goal. Stevenson.

Goals—Madden, Brown, 2; Rennie, Stevenson.

Subs—McCormick for L. McCormick, McGovern for Madden, L. McCormick for McGovern, Rennie for Stevenson.

Time of game—15 minutes. 7 minutes of periods—15 minutes. Referee—Richardson.

### OTTAWA DECISIVELY DEFEATED QUEBEC

Ottawa, Jan. 11.—The Ottawa Senators, in the National Hockey League last night, defeated Quebec at the local arena by 7 to 1. Saturday night took place over a beautiful sheet of ice and was productive of some of the finest hockey that has been witnessed in the capital. The drop in the mercury just occurred in the nick of time, and the game was a real one.

Quebec, who were the favorites, played fast hockey. He called C. G. E.'s goals. Canadian General will be hard to beat from this out. Teams: Ottawa—Goal. Bouché; defence. Eulogides, who have been improving at a great rate, and were in the line, but the match was not a clean game, as one-sided as the score would indicate. Indeed, Quebec gave the Senators a battle-royal, and until the third period the result remained very much in doubt.

Teams and Summary. Ottawa (7)—Goal. Bouché; point. Cleghorn, right wing. Broadbent, left wing. Derragh. Quebec (7)—Goal. Brophy; point. Munro; cover. Carpenter; centre. Malone; right wing. Carey; left wing. MacDonald. Ottawa subs—Bouché, Dennenay, McKell and Bruce.

### ROCHESTER ACCEPTS CHALLENGE AND ALSO SENDS OUT ANOTHER

#### Bill Baker, Bill Rieby and Tommy Tull returned yesterday from the banquet of the Genesee dinghy sailors at the Rochester Club on Saturday night.

They had a great time, but it was so dry. Claude Nuxon was the orator of the evening, and he paid the visitors, their ways and boats great tributes.

Genesee formally accepted Toronto's challenge for the Emerson Trophy, and in turn sent a deft, for the Douglas Trophy, held by the Royal Canadian Yacht Club.

### Fords and Masseys Win In Mercantile League

Ford Motor Car and Massey-Harris turned up winners in Saturday night's weekly double-header in the Mercantile Hockey League series, played at Ravina rink. Fords put over a big surprise when they beat A. R. Clarke's goal team, 4 to 3. Massey-Harris had a 6-to-2 margin on Canadian General Electric at the conclusion of the other game.

The double-header provided two splendid games of hockey, on ice that was none too keen for good hockey. A crowd of 500 witnessed the games, and Mr. Griff Clarke, president of the A. R. Clarke team, said that he was very much surprised at the result, as he was naturally disappointed that Clarke didn't win, but was enthusiastic over the excellent display of Mr. J. F. Paxton of Canadian General Electric and President McLean of the mercantile league were also present.

The first game, thanks to their splendid combination and effective back-checking, Clarke, individually, were just as strong, not stronger, than their opponents, but they lost out on opportunities to score by failure to pass the puck. Fords played beautiful combination at every stage of the game, and the majority of their goals, in fact, all of them, resulted from two-man dashes in on the opposing defence.

Horfield, Tim Adair and Brady made an excellent forward line, while Freeman and Gus Edwards blocked well, and also were dangerous on the offensive. Monty Warwick took part at net guardian and got by nicely. He improved as the game went on.

W. N. Jameson on the lines were the Clarke's best, but both resorted to the individual game entirely. Jameson was the best forward on the team and scored all three goals for his team. Jeas Spring blocked well, but was slow on the offensive. Jack Spant played a great game in the net. It was a real game all the way.

Canadian General Electric presented a much stronger team against Massey-Harris than they did a week ago in the same rink, but they were only beaten by the four-goal margin because they were not in the best of condition, and because the team work of the Fords was so good.

The defence played of Lalruid and Dingle in goal, was so good. Stroud and Dingle were the best of the forwards at all times, and the former scored four of his team's six goals. Landrauld landed the puck.

Weak on Shooting. Canadian General Electric played good hockey, but never stopped trying. A little more accuracy with their shooting and they might have made the game a closer one.

At the other end, Davis was also playing a nice goal game. He stopped them, and he was out of the net, and he was on going out to block the shot. Eversfield was very effective on the defence, and he was out of the net, and he was on going out to block the shot.

The knockout came as a surprise, for honours were even up to the seventh round. Tremblay rushed Ahearn and felled him with a wicked right to the head.

### HOCKEY GOSSIP

Toronto Canoe Club all-star junior team played a game tomorrow night at the arena. The west end water-dogs were just ousted out by the well-drilled Varsity club on Saturday, and showed a nice combination, that worried the U. of T. defence sick. Good team play is the key to success, and the Varsity club is the best of the water-dogs.

### Governor Would Stop Fight

#### Sacramento, Cal., Jan. 11.—Governor Wm. D. Stephens of California announced today that he would ask the federal government at Washington to impose passport restrictions that would prevent the proposed world's championship bout between Jack Dempsey and Georges Carpentier at Tijuana, Mexico, just across the border-line from California.

### Frankie Fleming Meets Irish Kennedy Tonight

The Dick Atkins will not be able to meet Frankie Fleming tonight at the Grand Army Room in Massey Hall, the card will not suffer. Irish Kennedy tonight, who has been in active training ever since his defeat of Lisner here, has accepted the engagement to box the formidable Montrealer in "Fighting Dick" Atkins, and a rattling mill will be certain to result. The Hamilton boys' fighting qualities are well-known to the fans. His mother and father, unlike Atkins and in addition he is a harder hitter. He has won five of his last bouts by knock-out.

Atkins was out of luck in this connection. Two days ago he received a wire from his father, who was in the hospital, and he was told that he was in a bad way. Shortly after his arrival his father's illness was diagnosed as smallpox and he was quarantined along with the rest of the family. Dick protested vigorously, but to no purpose. Yesterday the G. A. R. received the following wire confirming the above from Thomas C. Sawyer, M.D., health officer of Auburn, N.Y.: "Alfred Atkins, who was in the hospital, is now quarantined at his home. He has a fever, because his father's illness was smallpox. His mother and father cannot be released from quarantine."

The balance of the card remains unaltered. Joe Shivers, the little fighting machine from Montreal, boxes Freddy Joyce of knock-out fame, ten rounds at 115 pounds, and a rattling mill is expected. Sooty Lister and Soldier McCracken travel the same route at 125 pounds, on a winner take all basis. The fight of the evening from a boxing standpoint should be the eight round bout between Champion Bobby Ebor of Hamilton, and that earnest and willing exponent of the many art, youthful Kid Gold of Toronto, which will open the bill.

Jack Dempsey Has All Physical Advantages. When Georges Carpentier and Jack Dempsey meet, all the advantages of the American will be on Dempsey's side. Dempsey is a much stronger, heavier, and even younger than his soldier opponent. He will have practically everything that a boxer could ask with him. Carpentier has experienced four years of trying warfare, while Dempsey is staying at home, and today is 24 years old, Carpentier is 25.

The latest figures of the pair show that Carpentier is 5' 10", 170 lbs., 165 lbs. weight. Height, 5' 10". Weight, 165 lbs. Chest, 44". Neck, 17". Biceps, 17". Thighs, 22". Arms, 22". Forearms, 12". Hips, 15".
