

Early in the year a number of collection boxes for the Church Building Fund were taken by members, and the sum of \$54.52 has been contributed by 17 boxes sent in up to date. The proceeds of the remainder, as well as the result of a similar method in the present year, will appear in the next annual report.

The whole respectfully submitted,

H. A. KENNEDY.

January 27th, 1886.
