thing we can say.

UNION HORSE EXCHANGE TO LATE D. M. DEFOE HAD PERFECT CLEARANCE

Funeral of the Late Chairman of Demand From Canadian Northwest Insistent-Rush Orders to Manitoba.

Almost a perfect clearance of the past week's receipts at the Union Horse Exchange was effected, altho Horse Exchange was effected, although the funeral cortage left the tamily real amoet, 21 Clarence-square, at 10 o'clock, 51 Mary's Church, which the deceased attended for many years, was thronged by friends of the family.

Right Rev. Morris McCann chan'ed requiem high mass. The interment took place at St. Michael's Cemetery.

Among those who attended the funeral week H. L. Drayton, A. F. Andash, Ald. Dunn, Richard Coady, J. C. Forman, Lewis Howard, John Hewitt, E. Streehan. Cox, Col. Mead. Thomas Flynn, E. F. Rush, J. D. Coulter, John O'Leary, John Gorman, Patrick Multuren, Sir Giehiolme Palconbridge, J. Sinclair Robertson.

The pallbearers were: E. J. Hearn, George McMurrich and Coady, Lawrence Cosgrave, Frank Lee.

The lengthy funeral procession included one carriage overflowing with wreaths and flowers. The foral tri-butes were: City of Toronto, wreath of the finer of George McMurrich and meanies of the firm of McMurrich & Sone; M. Wickham, Montreal, wreath of troses and illies; from the other two members of the firm of McMurrich & Sone; M. M. Wickham, Montreal, wreath of roses and illies; from the other two members of the firm of McMurrich & Sone; M. M. Wickham, Montreal, wreath of roses and illies; from the other two members of the firm of McMurrich & Sone; M. M. Wickham, Montreal, wreath of roses and illies; from the other two members of the firm of McMurrich & Sone; M. M. They also contemplate the reclama-tion of about 350 acres by diversion of the Bear River and filling in of the flats, and the building of an immense breakwater, railway terminals, ore houses, four large docks, etc., these, with the two railways, representing a preliminary investment of about four million dollars. Rails are already on the way to Stewart. Both railway lines, have already been surveyed, and it is expected that one or both will be com-

pleted before the autumn. The Island Valley Railway, which is an independent project of the same capitalists who compose the Nicola Valley Co., and which is for the special purpose of developing their new coal properties on Graham Island of the properties on Graham Island of the Queen Charlotte group, has been put under construction by the contractors,

under construction by the contractors,
Armstrong & Morrison of Vancouver,
who expect to complete the line by
Oct. 1 at latest.

It is but 25 miles in length from
Hasset to Skidegate and penetrates
both agricultural and richly mineralized districts, the fermer containing the largest area of level farming land available for settlement in the pro-

Will Open Way to Gold. It also opens up a gold camp which promises to be one of the richest and most profitable in British Columbia. most profitable in British Columbia. In the mainland interior the British Columbia and Alaska Co. are not so far advanced with their construction plans, but have two reconnaisance parties taking the field on May 1, under the general charge of L. M. Rice & Co. of Seattle, to locate their line. This is projected to have its terminals respectively at Lytton, on the upper Fraser River, and at Teslin Lake, traversing the Stewart River valley after leaving Fort George northward, and proceeding northerly to Teslin via the Stikine and Telegraph Creek. The company is a New York concern, headed by Jean Wolkenstein as president. ed by Jean Wolkenstein as president.

REPOSITORY CLOSES ONE OF BIGGEST WEEKS

Horses and Heavy Braughts Among Sales,

This is a season of big weeks We have just infered a very busy week and have sold practically every horse we had for sale in the stables. There were four sales this week, and at each we sold everything we had to offer. At the spring sale we sold many fine herses. A number of good saddle iorses, as well as a few carriage pairs, changed hands.

Next Tuesday, the 12th, we are seiling for Senator W. C. Edwards of Ottawa, his entire stock of carriage and saddle horses, and these are being shipped direct from his stock farm at Rockland. The horses are all well bred and are the get of such sires as Paramount, Sleight-of-Hand and Jubilee Chief, and our instructions are to self. The horses are all such a good for it is possibly unfor to the rest to make special mention of a few, but we may say there will be a match of carriage pair. 7 years on, Boths breken to ride and drive. The consistence of the carriage pair, and drive. The consistence of the carriage is cludes a relding Roman. 7 years on, a fine saddle horse and broken to ride as them into her home to help her for akes them into her home to help her for akes them into her home to help her for akes them into her home to help her for akes them into her home to help her for a carriage and Rockland. The horses are all well bred a fine saddle horse and broken to ride and drive. This horse would make an excellent charge. This sale will an excellent charge. This sale will nelpers, sine gives them her confidence; present an opportunity to purchase a good horse that will not perhaps occur sure, of course, that they are worthy of such confidence and share.

The plan may not be possible of imitative the course the possible of imitative the course to prove the possible of the plan may not be plan may not be plant may
