LANDS FOR SALE.

BY THE NEW-BRUNSWICK & NOVA-SCOTIA LAND COMPANY.

THE New-Brunswick and Nova-Scotia LAND COMPANY having been long since incorporated by Royal Charter, with a Capital of £200,000 Sterling, with power to increase that amount to £400,000, and having purchased from the Crown the New-Brunswick, between the Rivers "Saint John and South West, Miramichi," have been quietly and unobtrusively improving a large portion thereof since their purchase, and now travelled upon, directly through what may be termed the Valley of the Nashua, to the Company's new Town of STANLEY, where they have erected a SAW MILL, of great power, with Circular Saws, capable of producing every description of Boards and Scantling necessary for the most responsible and shortest notice. The most approved re-sawing has been built with the most approved re-sawing power, and the best and finest Granite and French Burr Stones introduced; so that the Settler may have the opportunity of deriving serviceable aid at the least possible expense.

The Town of Stanley, delicately situated on the banks of the beautiful River Nashua, and in a healthy and fertile soil, offers every advantage for settlement. The improvements consist of a fine Building, at the least possible expense. The Town of Stanley, delicately situated on the banks of the beautiful River Nashua, and in a healthy and fertile soil, offers every advantage for settlement. The improvements consist of a fine Building, at the least possible expense.

The whole line of Road, from its commencement to the South West, Miramichi, offers every inducement for settlement, on both of which a number of small Farms have been laid off, some with clearings and Log Houses built thereon, a few of which are inhabited by the Settlers. The steady and persevering Emigrant will find that every attention will be paid, and every necessary facility given him to render his settlement as light and pleasing as the Company's interests may justly and fairly warrant.

The price of the Land will be a matter of course, varying according to situation, but none will be higher than Twelve Shillings currency, or Ten Shillings sterling per Acre for the present Season. (Town Lots and Ten Acre Farms surrounding the Town excepted,) every information about which will be readily and cheerfully communicated by the Company's Agent at Fredericton.

As many applications have been made for Town Lots without positive situations being named—it will be necessary for the Applicants to repeat their requests and fix upon the number of the Town Plot they would wish to occupy.

The terms of Payment will be made easy, as follows:—One fifth to be paid at the time of purchase, upon which a Location Ticket of Possession will be given, the other four-fifths by annual instalments, but should the Purchaser pay the whole amount at once, a discount of 15 per cent will be allowed upon the purchase money, upon completion of every information about which will be readily and cheerfully communicated by the Company's Agent at Fredericton.
