Liberal and Progressive Alliance Likely Result of Near East Consultations

Leaders Said to Share the Conviction That Popular Desire for Greater Stability of Government Will Be Sure to Find Realization in Working Agreement Next Session.

Ottawa, Sept. 24.—The Near East crisis has placed the seal of certainty upon a close alliance between the Liberals and the Progressives in the next session of Canada's fourteenth parliament. This fact has emerged from a graphic activity and personal conference in this city during the last six days.

In addition to Hon. T. A. Crerar, leader of the Progressives in the house of commons, Hon. A. B. Hudson, now known as liaison officer between the government, party and Mr. Crerar's spent last Friday and Saturday here, and his presence is far from being without significance.

True, he had a lengthy conference with J. B. Chalmers, the chief of the water powers branch of the government on the Lake of the Woods situation, about which there was a conference of premiers last week, and Mr. Hudson gave and obtained much valuable information. But he also learned something of the political situation.

Mr. Hudson, it is learned, is in thorough accord with the views expressed by Mr. Crerar in the statement the latter issued to the press late Friday night on the European situation. He, with

Mr. Crerar, believes that parliament should first be consulted before the government decides to send troops to oppose the Turks, and that the people should be given the fullest information as to what participation in the conflict by Canada would involve.

More important than the accord between the leader of the Progressives and the man who, it is believed, has done much to pave the way for a more cordial attitude between the government and the western members is the conviction which, it is understood, is now shared by them and by the prime minister that the movement which began amongst the electorate this summer has been fruitful to an astonishing degree, and that nothing now can prevent this desire on the part of the electors and elected for more stability in the government of the country from being fully satisfied next session.

Not that either concedes the other to have a monopoly of political efficiency or virtue, but it is held by both that a closer understanding will make possible a more resolute and effective administration of the country's affairs and avoid a repetition of what many times last session proved to be needless and costly uncertainty and compromise.

YESTERDAY IN CITY CHURCHES

Large congregations greeted the pastor, Rev. J. A. Swetnam, at both the morning and evening services yesterday in the Waterloo street Baptist church.

Mr. Swetnam took as his subject in the evening service, following Christ, quoting John, xxi-21: "Follow thou Me." He said that the call comes today, as it did to Peter of old, to follow Christ—to follow him into the wilderness of temptation, into the mountain of prayer, to the field of Christian service, to the garden of sorrow and death, to the resurrection of life and into His eternal glory. During the service, Deacon John Mott rendered beautifully a solo, "Who Can It Be But Jesus?"

In the evening he spoke on the Four Certainties of Christianity—the certainty that Christ lives; the certainty that Christianity presents a Savior; the certainty that there is a plan of salvation given to us through the cross of Calvary and the certainty of the immortality of the soul. Miss Deley was heard in a beautiful solo, "Hold Thou My Hand."

Rev. W. W. Malcolm, of St. Stephen, conducted the services in St. David's church yesterday. Mr. Malcolm was formerly a member of St. David's congregation and is a son of the late Andrew Malcolm, of St. John. He was given a cordial greeting by many friends, and his earnest addresses were listened to with great appreciation.

The last of the services in connection with the local observance of the Jewish New Year was held yesterday at noon. Each of the services on Friday, Saturday and Sunday in the Carleton street synagogue was largely attended. The local rabbi, Mr. Saltzberg, conducted the services and was the cantor. The next day of religious observance in the Jewish year is the Day of Atonement, and that comes on Oct. 1, this year. Rabbi Teesner will remain in the city to take part in the ceremonies of the Day of Atonement.

Wonderful accounts of the strange Inca Indians of Peru and of the countries of Argentina, Brazil and Uruguay are related by Rev. George Smith, of Toronto, Canadian secretary of the Evangelical Union of South America, which is an interdenominational society, supporting eighty-eight missionaries in the three countries of Brazil, Argentina and Peru. Mr. Smith is in the city to attend the wedding of his son, J. Stewart Smith, and Miss Alva Bissett, which is to take place on Wednesday. Rev. George Smith was the preacher in the German street Baptist church yesterday morning and

Mr. Styles emphasized not only the need of personal service but stressed also the need to pray that the Lord send laborers. The duty of prayer was a very essential one.

Mr. Styles was in Rothesay yesterday morning and delivered the sermon at St. Paul's church.

Rev. A. L. Fleming, rector of Stone church, made the announcement yesterday that it was hoped next Sunday a sect of stull, beautifully carved, would be dedicated in the church in memory of Wesley Peters, who was for many years a devoted member of St. John's church.

The organ of the church has been put in perfect order, much renovation having been completed, and some additional parts installed.

Rally services in the Ludlow street Baptist church and the usual monthly morning exchange of pulpits among the Methodist ministers of the city were observed yesterday. Rev. R. G. Fulton, of Centenary church, was absent from the city attending the anniversary services in St. Luke's Methodist church, Chatham, where he was formerly pastor. In the morning Rev. H. E. Thomas, of Exmouth street church, occupied the pulpit of Centenary church and in the evening the service was conducted by Rev. Dr. George Steele. Dr. Steele conducted the service in the Exmouth street church in the morning. An interchange of pulpits was made by Rev. Dr. George Steele, of the Queen square Methodist church, and Rev. H. B. Clarke, of the Portland Methodist church. Rev. J. M. Rice, of Yarmouth, exchanged with Rev. F. T. Bertram, of the Carleton church. Rev. E. E. Styles, of the Carmarthen street church, exchanged with Rev. J. K. King, of Zion church.

NEW PHYSICAL DIRECTOR FOR LOCAL Y. W. C. A.

Miss G. K. Pepler, of Toronto, the new physical director of the Young Women's Christian Association, arrived in the city on Saturday and expects to start the organization of the gymnasium work with all possible speed. There have been many earnest inquirers at the recreation centre, who were much concerned to know how quickly the gymnasium classes were to be arranged. Miss Pepler knows physical work from A to Z, and is planning for a big programme this season. She has been at summer camp all during the season and has had great success in leadership and in training girls.

Mrs. Percival Foster, the general secretary, has been busily engaged getting things ready for the big rally, which has always been the formal opening of the Y. W. C. A. season since the recreation building was first occupied by the association.

Depart for New Home in West

Mrs. J. A. MacKeigan and her children left on Saturday night for Montreal, where they will be joined by Rev. J. A. MacKeigan and proceed to their new home in Moose Jaw. They expected to arrive in Moose Jaw on Wednesday. Mr. MacKeigan was the highly esteemed and popular minister of St. David's Presbyterian church in St. John previous to his acceptance of the call to Moose Jaw and Mrs. MacKeigan is a daughter of Mr. and Mrs. John A. McAvity in St. John. Many friends were at the station on Saturday night to say good-bye to Mrs. MacKeigan and to wish her all happiness in her new home. The departure of Mr. and Mrs. MacKeigan from the city is greatly regretted.

ARDENT WORKER IN MANY CITY ORGANIZATIONS

Prior to his departure for Vancouver on Saturday afternoon, David Hipwell was personally farewelled by many citizens.

Mrs. Hipwell and daughter are to leave for the west in about a fortnight.
