caribou which the McNamara boys saw during their recent trip, have moved south because of the destruction wrought to their feeding grounds in the north country by the forest fires of last summer. Uncle Henry regards the caribou as the finest of all game animals and he hopes that now that they are returning to the province they will be given every protection.

TOLD OF SPEAKING TOUR.

An account of the tour of Mrs. H. P. Newcombe as orator, lecturer and dramatic speaker was read at the meeting of the W. C. T. U. yesterday afternoon. Mrs. Newcombe had won golden opinions in New York, Montreal, Boston, Halifax, Atlanta, Georgia and various other centres. Mr. and Mrs. Newcombe are coming east but are undecided whether they will return to St. John or Montreal. Mrs. Hope Thomson, president, was in the chair. Mrs. Effie Bruce, asked the Union to send representatives to the Border W. C. T. U. convention in Calais, Me., on May 12 and asked that the names of relatives of St. John Members who had served in the Great War be forwarded to the Dominion W. C. T. U. meeting. A committee consisting of Mrs. Thomson, Mrs. Joseph Taylor and Mrs. Mary Seymour was appointed to confer with the Y. W. C. A. with regard to giving the Y. W. C. A. assistance.

CARS DERAILED.

Two freight cars left the track at the crossing at the foot of Prince William street yesterday afternoon, and a couple of hours were taken up before the cars were placed on the rails again and the tracks repaired. The pavement was also somewhat damaged.
