She received many beautiful and useful presents. The groom's gift to her was a check. The bride's travelling suit was of navy blue with hat to match. Mr. and Mrs. Williams left on the Montreal train and the showers of good wishes from their many friends. They will visit Montreal, Ontario, Niagara and later will go to Winnipeg, where they will make their home.

SIR WILFRID AND THE WITHDRAWAL OF HIS OPPONENT FROM FIGHT

Ottawa, Ont., Sept. 18.—Sir Wilfrid Laurier, in a statement issued today, undertakes to resign his seat in Quebec East if the story of Rene Leduc that his resignation was extorted from him is substantiated. The premier's statement is: "Last evening I received the following telegram:—

Quebec, Que., Sept. 17.—11. Sir Wilfrid Laurier, Ottawa.

"One of your most important chiefs in Quebec East has been given up by me. I was under the influence of liquor my resignation as candidate against you. I have asked the returning officer to whom the document had been delivered, to give it back to me. He has referred me to the clerk of the crown in chancery. I have telegraphed the latter, and I hereby ask you to give instructions that my extorted resignation be given back to me and that the election be not stolen. The people of Quebec East desire to vote and they trust that you will not take advantage of the mistake made."

(Sgt.) RENE LUDUC.

"It is difficult to believe that any friend of mine would have been given up by me. I am all the more loath to believe it, as the candidature of Mr. Leduc was never considered serious. I have no power over the clerk of the crown in chancery, who is an officer of the law. I think under the law cannot take action. I have only to add that should the facts turn out to be true I would not keep the seat under such circumstances and would emit my duty to resign in a new election."

(Sgt.) WILFRID LAURIER.

RECIPROcity IS ALL IN FAVOR OF THE NEW BRUNSWICK SIDE

That reciprocity will be all in favor of New Brunswick and to the detriment of Maine is the opinion expressed by the president of the Northern Maine Agricultural Association, Albert E. Irving, of Presque Isle. These views were given expression to in a conversation Mr. Irving had with Superintendent McDonald of the Boys Industrial Home at East St. John. Mr. McDonald returned today from a visit to the Maine Agricultural Association where he has been with an exhibit of farm products and box work from the institution. While at the capital he met Superintendent McDonald of the Maine Agricultural Association. Mr. Irving was stoutly opposed to reciprocity and hoped that it would be defeated. He said that a farm in Maine worth \$3,000 was superior to one of equal value in New Brunswick. The effect of reciprocity according to his opinion was that New Brunswick lands would jump in value while those in Maine would decrease.

Mr. McDonald said that the exhibit of the home is a creditable one, and he feels proud of it. Many who saw it were surprised that the home was available for other parts than St. John. In all he has thirty entries.

SUNDAY'S TRAIN WRECK AT GREENVILLE JCT.

Passenger Train of Collision in Which All, Fortunately, Escaped Serious Injury

That one or more people were not seriously injured in the train wreck at Greenville Jct., Maine yesterday morning, is declared little short of a miracle by a passenger who was on the incoming Montreal train when the accident occurred.

The Montreal express, it appears, was just approaching the junction at the rate of about ten miles an hour when it ran into a light engine which was standing partly on the main line and partly on a siding nearby.

Both engines were badly demolished and the rails were torn up for a considerable distance. The mail car on the express was smashed considerably, but the clerks escaped with only a few bruises. In the car at the time were Messrs. Belding, Morris, Kerr and Stewart. The first three were thrown to the floor and the contents of that end of the car fell on them.

The end of the car was broken right out and the mail scattered over the track. Had it not been that there was a baggage car between the engine and the mail car some of the clerks might have been seriously injured. As it was they got off with but a few scratches.

Many windows in the passenger car were broken and the passengers were thrown around somewhat. The collision occurred at 4:30 a.m. and the train was stalled for about six hours while repairs were made. The train was in charge of Conductor Wade who received several bruises on the head and face. The train, which should have arrived here yesterday morning at 11:40 o'clock, did not get in until 6:10 last evening.

It is understood that an investigation will be held at Greenville to ascertain just who was responsible for the accident. There were many St. John people on the train at the time, but as far as can be learned none of them was injured to any extent.

GETS BACK RING SHE LOST TWO YEARS AGO

After mourning the loss of her wedding ring for two years, Mrs. Marie, wife of J. M. R. A. Ltd., was made happy on Saturday by the recovery of the precious gold band, which had lain on the shore at Ketchikan all during that time. Two summers ago, Mrs. Marie lost two rings in the water, they were caught on a raft to which she was holding. She recovered one, but though diligent search was made repeatedly for the marriage ring, it could not be found.

This summer, as in other years, the boys of the Wiggins' Male Orphan Institution have been living at Ketchikan, under the care of Superintendent Pierce. A few of them were on the shore one day last week, and in playing about "Jimmy" Davis, the youngest of the crowd, picked from the beach a handful of pebbles. He was about to throw them around in fun when he espied a glittering object among them. It was the ring lost two years ago by Mrs. Marie. On Saturday she was informed of the find, and needless to say, was delighted on having the much prized band of gold restored to her.
