CITY CLERK HAS **HUMBER'S RESIGNATION**

Will Come Before Council on Monday Evening and Probable Date for By-Election Set

(From Saturday's Daily.) Ald, Humber late yesterday after-J. Dowler, city clerk, and the same will come before the city council on Monday evening. It is anticipated that once, and thus a bye-election will en-

to Ald. Humber, and we feel that we are responsible for the unfortunate occurrence. The people of the north ward can ill-afford to lose such an able big trust will be placed on the market, representative, and we hope that the

(Special to the Times.) Toronto, Aug. 6.—Two cases of smallpox were discovered in the city yesterday. Both are now isolated in the hospital.

ELDERLY WOMAN ENDS

Mrs. Louisa Eberts Found Dead in favorable reco Shed at Residence on Saanich Road

Mrs. Louisa Eberts, a resident of Keatings and a native of Germany, was found dead in the woodshed of her house on the Saanich road, near Keat- Output of Logs in Three Months ings station, yesterday afternoon. The police were notified and an inquest will be held on Monday afternoon.

Deceased was found hanging from the rafters of the roof suspended by a rope, and it was an evident case of suicide. The body had, according to medical theory, been hanging an hour before it was discovered.

Constable Little, Saanichton, took

ral months in the eastern provinces She is between 60 and 70 years of age a son, all of whom reside in the city. An inquest will be held on Monday at 11 a. m., by Dr. Bapty, who was this ning sworn in as deputy coroner

LISTS RETURN FROM WEST COAST

Whaling and Fishing Very Successful-Dredge Unable to Operate at Alberni

(From Saturday's Daily.) One or two groups of financiers arrived this morning from the West Coast, where they have been investigating the timber and mines, and it is stated that they were As a result it is expected that the saw. As a result it is expected that there will be some active developments in that part of Vancouver Island. H. H. Jones had one of these parties with him to some went to see some copper properties which look very rich. They were also to Sechart and other points in the neighbor

and other points in the neighborhood.

The Tees made a special trip to Kyuquot to fetch a group of timber men who were taken north recently on the William Joliffe and who have been making investigations in that neighborhood. They vestigations in that neighborhood. The vestigations in that neighborhood are said to represent a large amount of

Word was brought by the steamer that the dredge Frushling, which went to Alberni to dredge out a channel to the old townsite, has found it impossible to do the work. The bottom of the channel is so hard and so filled with stumps that the suction dredge cannot operate.

Word was also brought that the salmon fishing at Clayoquot and Uchucklesit has been very successful this year; and that the whales continue to come in to the

sue in about ten days.

The establishment of a giant deepwm, W. Northcot, returning officer, sea fisheries trust on this coast is the said this morning that while the act specifies that an election shall be held ates at the present time, according to the same of the present time, according to the present

said this morning that while the act specifies that an election shall be held within ten days of the acceptance of the resignation, the council may defer acceptance as it sees fit. Therefore it is impossible as yet to state when the bye-election will be held.

Ald. Humber, in the amouncement has been made by Messrs. Dinsdale & Malcom, contractors:

Aligust 5th, 1910.

We, the undersigned, wish to express our regret that we should in any way have contributed to the disqualifying of Ald. Russ Humber by the purchase of bricks. As we have been supplied solely by the Humber estate. The building inspector wished some repairs done, which required about 1,500 bricks. As we have been supplied solely by the Humber estate for years, it was clearly an oversignt on our part that we did anything to imperil his standing as an alderman. In fact our own team hauled the brick unknown to Ald. Humber, and we feel that we are responsible for the unfortunate occurrence. The people of the north.

ward can ill-afford to lose such an able representative, and we hope that the and the public will be given an opportunity of taking shares in it. It is expected that by operating in a large way the trust will be able to secure much better markets and to work much Contractors.

Ald. Humber will again be a candidate at the bye-election, and the consensus of opinion is that he will be reelected.

TWO CASES OF SMALLPOX.

big trust will be placed on the market, and opinion that the amount of the public will be given an opportunity of taking shares in it. It is expected that by operating in a large way the trust will be able to secure much better markets and to work much smaller firms could possible do. It will have agents in all the principal an acre, he said, McMurray was to get markets, at Billingsgate and other proportion that the amount of land sold should be reduced he was to receive less than \$25,-100, the amount to be reduced in the same proportion that the amount of lands was reduced.

There was at that time, McCurtain testified, about 2,000,000 acres of unalotted Choctaw land. It was worth \$7.50 an acre, he said, McMurray was to get parts of the world, and will practically control the market for the fish which this coast supplies.
