## HISTORIC ROUTE TO BE RESTORED

YALE-CARIBOO ROAD WILL BE REPAIRED

Hon. Thomas Taylor Will Put it in Shape Again.

Hon. Thomas Taylor, minister of public works in the provincial governthrough wagon road from the Pacific Hope mountains, the Okanagan and the up so as to make the whole one comabout 750 miles long.

ject was to be served by such an undertaking, expressed the opinion that was a desirable thing to have a trunk road across the province to connect with Alberta. Then again it would be thought to be a model tourist route, affording those who sought to travel that way the very best opportunities of seeing the country.

old picturesque Yale-Cariboo road along the Fraser river is to be re-This road, which before the advent of the C. P. R., was the route by which miners and others made their way to Cariboo and other parts of the interior, is famous in history and in dered the road commercially of little use and considerable sections of it have gone out of repair. Whatever may be thought generally of the policy would be permitted sent from the in restoring it there is a band of old grounds until after the last race is timers in the province who will un- run, because it was understood that Explorer Was Accompanied by doubtedly regard it as the right move California pool rooms were receiving
