Échelle 1:50 000 Scale

A horizontal scale bar with markings at 1000, 2000, 3000, and 4000 Metres. Above the bar, there are labels '1' and '2' corresponding to the 1000 and 2000 metre marks respectively. To the right of the 4000 Metres mark, there is a label '3 Miles'.

Post test renseignements concernant les copies et les bornes altitudes. Information concerning bench marks and horizontal surveying points can be obtained from Geodetic Survey, Canada Centre for Measurements, Ottawa.
