having this information and knowing the extent of the trouble in 'the North West I charge the government of the day with being oriminally responsible for every dollar spent, and every drog a careful examination of the official papers brought down to parliament; I charge that shey are solely and directly responsible for the public man, and I do so after having made a careful examination of the official papers brought down to parliament; I charge that they are solely and directly responsible for the public man, and I do so after having made a careful examination of the official papers brought down to parliament; I charge that they are solely and directly responsible for the public man, and I do so after having made a careful examination of the official papers brought down to parliament; I charge that they are solely and directly responsible for the province building under the well of the province building under the cause of the unpopularity of the Mackenty of the day was tagged the existence of half breed grievances and the giving to 2,000 out of the 4.500 half breeds all they ill not treepass any longer upon your fireby that their conduct a few days after the more and the leaves of the Advance still further ahead of its distanced competitors, that we look to all who value and would promote our best local interests and institutions for loyal, general and enlarged support in the future.

The OUR '-Referring to the fact that Mr and spent millions at a ministration. A portion of its arriagnment at the bar of public opinion is contained in the speeches to which the we wait and spent millions at a ministration. A portion of its arriagnment at the bar of public opinion is contained in the speeches to which the we surrender so much space in to day's Advance, and a hundred other charges against it—including those contained the speeches to which the we surrender so much space in the two man and an and enlarged support in the future.

The following ministers only being provented the two man and itsulation to lite distance

statement which, if he had been a pruden man, he would have been glad to qualify. It is a statement not in accordance with

Gentlemen, I ask, is that statement true? It is not true, and he knew it. He knew that when Hon. Alex Mackenzie came into power no minister ever govern-ed the country with a more sincere desire to advance its best, its material interests, than did that good, old, sturdy, honest Scotchman. (Loud cheers, He knew that when Mr Mackenzie came into pow-er there was in this Dominion no elegion law governing and regulating Dominion elections. He knew that there was no law provid no for the use of the bellet a thepolls, and how there was no day which provided for the detection and pun-ishment of bribery at elections. He know there was no law which stated that the

roting should be conducted, under properestrictions—those restrictions which guard honest men and punish the dishonest. He knew then that the Election Law of 1874 which was placed on the Law of 1874 which was placed on the statute books and remains on the statute books is one of the most important lawspassed by any parliament. and one of the most important ever placed on the statute books of this Dominion. (Applause.) He knew that this bill was introduced into parliament and passed by Mr. Mackenzie's government. (Applause.) The Minister of Justice said in effect that there was never a newavre which was designed to never a measure which was designed t benefit any province or class of people in Canada enacted by the Liberal party. Be must surely know that the Supreme Court of this Dominion—a court which has con-ferred upon one of the provinces of this Dominion at least most inestimable advantages — was constituted by virtue of an act introduced into parliament and passed dy the Mackenzie government. (Ap-plause.) Why, it was, before that court plause.) Why, it was, before that court that a complaint under which the Province of P. E. Island had been suffering for over half a century—the land curse—the payment of rents to pro-prietors were remedied. The country had gone on suffering under this curse, endeavoring year by year to secure the remeval of the proprietary system by trying to purchase out the proprietors, but failed and at the time Mr. Mack-nzie passed his Supreme Court bill they had given up all hope of redress, but they carried their case to Ottawa—to the Supreme Court which Mr. Mackenzie's

they are proud to think that they had a

and the proper distribution of bankrupt by the speakers and of the points to be talking about, but that administration passed that act and the Indian act.

The first act for the regulation of Indian The first act for the regulation of Indian affairs was passed by whom? By Sir John A. Macdouald? Not at all. It was passed by the Mackenzie government, and so I might go on and detail to you by the hundred our administrative works and the measures engeted by the Mackenzie be known to and understood by every

The "GLEANER'S" representative, and the despe last year. Now do you mean to tell me that is not increase of taxation? If you do I tell you that is an increase of taxa-tion, and so serious an increase, that it behaves year alorder in this countries. oves every elector in this and every man who wishes for the suc of this country to look such matters seriously, fairly and squarely in the face, not to consider himself bound by past ties or political associations, but if he believes and it is borne home to his con

science that the government have been neglectful of public trusts reposed in them if he believes that they have been extravagant in their expenditure of public moneys; it he believes they have levied taxation in excess of needs of the cou try; if he believes that the governme have adopted a trade policy which broug stagnation on almost every branch business and in every city in the Ma me Provinces: if he believes that on by them, is one of retrenchme if he believes it to be one of economy, one which will give us improved trade relations; if he believes it to be a policy which will provide a market for the sale of our products; if he believes that the policy of the liberal party is one of economy and honesty, then I say, the man who comes to such a conclusion should have the courage and the manhood to go to the polls and record his vote in favor of a good, an honest and a liberal governm (Long continued applause during which hon. gentleman resumed his seat.) Three cheers were then given for Hon L. H. Davies, Dr. Silas Alward and Hon Edward Blake, thus bringing to a closs one of the most enthusiastic politica meetings ever-held in the town of Chat

## Miramichi Advance.

CHATHAM, N. B. - - NOVEMBER 4.1886

This Week's "Advance." Our readers and patrons generally

prove of our changing-for this week only-the general make up of the government created, and their decision freed the people of P. E. I. from the proprietary avstem, under which they had been crushed for half a century, and Dominion administration, The Anagement was weak and their tone out the they dealt quite fully with matters of purpose was as manifest as their manthey are proud to think that they had a government which was not afraid of establishing a Supreme Court in this dominion. (Applause.)

Then, sir, the Mackenzie government was the only one that had the courage to Shore which is in a position to published on the North Shore which is in a position to the North Shore which is in a position to the North Shore which is in a position to the North Shore which is in a position to the North Shore which is in a position to the North Shore which is in a position to the North Shore which is in a position to the North Shore which is in a position to the North Shore which is in a position to the North Shore which is in a position to the North Shore which is in a position to the North Shore which is the North Shore which is the North Sh GRAPPLE WITH THE QUESTION OF BANK- lish such a report, and believes that other country paper—is not, of itself, claim is not allied with the truth.

Mr. Thompson went on further to assert that the Mackenzie government had spent \$40,000,000 when in power, —but I ask you what did they do with it? He that tells against "his party," which claimed that the present government government that the present government gov claimed that the present government holds his sympathy, and allegiance weeklies. bad built the I. C. K. that they had completed the C. P. R.,—that. sir is not true. The present government have paid enormous subsidies for the construction of the C. P. R., I admit, and that under it that road has been completed. I admit.

Weeklies.

DEAR EDITOR.—For the information of the seeptical or those who doubt the benefits derived from such a society as the construction of the great.

Where it could be obtained. The countenances of the family assumed an expression, at first, of bewilderment, which deepened into one of consternation of the scentile. The carelessness, and worse, of subscriptions promptly is one of the great.
