CHANCELLOR HARRISON, OF THE U. N. B. TO RESIGN.

Announcement by Attorney
General Pugsley — Rumor
of Dr. Bailey's Resignation
is Not Confirmed as Yet.

In connection with the talk of probable changes in the staff of the University of New Brunswick, Attorney General Pugsley said to the Star today: "You may state that it is understood that Chancellor Harrison will resign. I believe the chancellor is not in the best of health and that he has been contemplating this step for some little time. So far as I know, his resignation has not yet been received, but if it comes in time it will be considered at a meeting of the government which is to be held in Fredericton on Thursday evening of this week."

"Of course no steps have been taken by the government to secure a man to fill the place of Dr. Harrison. That would not be considered until after his resignation is dealt with, and at any rate, it is a matter in which the senate of the University is perhaps the most directly interested. The ordinary course, in such a case as this, is for the resignation as chancellor to be sent to the government and the resignation as professor of the senate of the University."

In case of their retirement, both Chancellor Harrison and Prof. Bailey would become entitled to participate in the Carnegie fund.
Dr. Thomas Harrison is the son of the late Thomas Harrison and was born at Sheffield, N. B., on October 24, 1853, and was educated at Trinity College, Dublin, where he took honors in mathematics, and at the University of Dublin, from which he received the degree of B. A. in 1884; L. L. B., 1884; M. A., 1885, and L. L. D., 1888. Returning to New Brunswick he was appointed in 1870 professor of English language and rhetoric, and of mental and moral philosophy. In August, 1888, he became professor of mathematics and president of the university. This last named position he resigned on his appointment as chancellor of the university in 1892.

Dr. L. W. Bailey has been a member of the University staff since September, 1881, and is now sixty-seven years of age.

Judge McLeod, one of the members of the U. N. B. senate, was seen by the Star this morning in reference to the reported resignation of Dr. Harrison. He said that he was not aware that Dr. Harrison had resigned, but he understood that he did not think it would be presented but on the contrary was inclined to believe that Dr. Bailey would continue his duties as professor for another year at least.

Judge McLeod was not in a position to state who is a likely successor to Dr. Harrison. These matters will probably all come up at the next meeting of the senate which is to be held on Wednesday, September 6th.

FREDERICTON, N. B., Aug. 28.—Your correspondent interviewed those closely connected with the University this morning on the reported resignation of Chancellor Harrison and Dr. Bailey. Though nothing definite could be learned, the report is quite generally credited here. It is stated that both Dr. Harrison and Dr. Bailey come now under the Carnegie superannuation fund and their reported resignations are regarded as no matter of any great surprise and though no official announcement is made it will surprise no one if there is the best of foundation for the report that the resignation will shortly be handed in if they have not already been placed.

ANOTHER FLAG INCIDENT OCCURS IN TORONTO

Belgian Printers Put the Stars and Stripes
on the Toronto Armories.

"Billy" MacFarlane, a former St. John man who carries the title of "postal card king," and who is now a resident of Toronto, has been getting his name in the papers. Mr. MacFarlane is a large importer of picture post cards, and a short time ago received an order from a Toronto house for a good many thousand colored cards, representing the Toronto armories. These cards were made in Belgium, and when they were received in Toronto it had placed on each of the flag poles on the four corners of the building representations of the Stars and Stripes. The cards were paid for in advance and could not well be returned. They are being sold in thousands daily to tourists and others, and American visitors to Toronto are having lots of fun over the idea of a Canadian Government building floating the American flag. Some indignation has been expressed in the Toronto papers, but as the importer of the cards remarked, "What are you going to do about it?"

The funeral of John Crowley took place at 2 o'clock this afternoon from his late residence Sewell street. Rev. Mr. Kuhring conducted the burial service and interment was in Fernhill.

SALVATION ARMY PLANNING BIG THINGS

Will Bring Out 25,000 Immigrants Next Year.

Scandinavians Will be Included but Officers Fear They Cannot Solve the Servant Girl Problem.

(Special to the Star.)

WINNIPEG, Aug. 28.—Premier Roblin, it is said, will be the Conservative candidate for Winnipeg South at the next provincial election.

REGINA, Aug. 28.—This section of southern Saskatchewan was visited by a slight touch of frost on Saturday night, but so far as can be learned no damage to the grain crop resulted. Only one degree of frost was recorded.

TORONTO, Aug. 28.—"Our fiscal year closes September 31, and up to that time we will have brought over about 12,000 people. During the next year we purpose bringing just double that number of immigrants into Canada."

This was the remark of Brigadier Howell, who has charge of immigration affairs of the Salvation Army in Canada and who has just returned to Toronto from a trip through England, Scotland and Wales in connection with this branch of the army's work. "We will be the Scandinavian countries the coming year," he continued, "for we believe such people as Norwegians, Swedes, Danes and Finns are amongst the best class we can get to settle in the Dominion."

"To bring out from twenty to twenty-five thousand people we will have to charter ten or twelve vessels out for perhaps two trips each year. Our own officers take charge of the immigrants entirely from the time they leave their homes till they find the places secured for them."

"People in this country will have to be warned against domesticity," he observed as he ran his hand through his hair. "Girls make as good wages in factories and homes in the cities of the old land as they do here. The servant girl problem is a big one here, too, and at present it is not easy to induce many girls to come out."

LIVELY TIMES IN SCOTT

ACT CIRCLES AT SHERIDAN

Twenty Parties Convicted Before Police
Magistrate McQueen Last Week—
Many Cases on the Tap.

The crusade against illegal liquor selling is still being carried on in various parts of the country. During the past week Justice McQueen, of Sherbrooke, has convicted twenty-two parties under the Canadian Temperance Act and several cases are pending.

On Saturday the following parties who reside in Sherbrooke came up before Justice McQueen: Weldon House, Royal Hotel, Terrace Hotel, Canadian House, Adolph Mellanin and convicted and fined fifty dollars or eighty days in jail. J. McGrath, of Saint Charles, of Dupuis Corner, were also up on a charge of selling. Legere was convicted and fined for a second offence were issued against him. The cases have been adjourned for one week.

Bellevue has summoned eighteen or twenty witnesses in connection with the three contested cases. W. A. Russell, K. C., prosecuted three cases against Sherbrooke parties.

The Scott Act crusade in Sherbrooke is to be the result of Aid. McArthur's threat to resign from the council if something was not done to stop the sale of liquor. The informations are being laid by A. W. Belyea—Moncton Times.

EQUITY COURT.

In the equity court this morning the case of Partington et al vs. George S. Cushing was taken up. Judge Barz, said this forenoon in court that he thought Partington had a right to apply to Judge McLeod, who had made the order for winding up the Cushing Sub-plate Co., Ltd., for leave to proceed in this equity suit, for himself and on behalf of the other plaintiffs, relative to what is known as shore rights. He gave Mr. Partington until September 18th to apply for such leave.

Argument in these of Irene Simonds vs. C. J. Coster was also continued in the equity court this morning.

The death took place last evening of Catherine, widow of Patrick Moore, at her late residence, 688 Main street. She was 71 years of age, and had been in poor health for some time. Two sons survive, James W., and Andrew, both of this city.

A few days ago city workmen laid a section of block pavement in front of the H. and L. Station doors on King street east. The blocks were dry and last night's rain caused them to expand with the result that the asphalt sidewalk had such a pressure against it that it is badly bulged and needs replacing.

KNIGHTS OF PYTHIAS INVADE ST. JOHN.

Many Delegates Attend the
Meeting of Grand Lodge.

Inspection on King Street and an Excursion
This Afternoon—A Banquet
Tonight.

Today the Grand Lodge of the maritime provinces, Knights of Pythias, held its first meeting. The session began at ten o'clock this morning. The year's reports were read, and several candidates initiated.

Last evening, a number of visiting knights arrived from Nova Scotia on the Prince Rupert, and this morning, the remainder of the delegates reached the city. The streets today are filled with the visitors and they appear to be enjoying themselves to the fullest extent.

The Citizens' Band of Moncton, accompanied the Knights of this place to this city this morning and they will play at the different parades.

The supreme chancellor, Charles E. Shively, of Richmond, Ind., was at Royal, accompanied by his wife and two children.

The other visiting knights are: J. H. Trahey, Parrsboro; B. McLellan, Halifax; W. H. McNeil, Londonderry; L. C. Lynde, Moncton; Wm. Marks, Moncton; Wm. Charlton, Moncton; G. Mathews, Moncton; J. F. McLean, Moncton; J. W. Roberts, Moncton; C. Stewart, Moncton; D. Brown, Moncton; W. Wheaton, Moncton; B. N. Hall, do; H. Armstrong, do; R. Stevens, do; G. LeLachur, do; G. H. Parson, Halifax; F. A. Marr, Halifax; G. E. Ritchie, Halifax; D. G. Wilson, Halifax; H. W. Hall, Halifax; Dr. A. McKnight, Moncton; A. Staples, Fredericton.

The visiting knights, who were not obliged to attend the meeting this morning spent the time in seeing the sights of the city. A large number took in the reversing falls and Rockwood Park.

This afternoon, at two o'clock the Knights assembled on King street and after being inspected by the supreme chancellor in the presence of many spectators marched to Indiantown, where the Victoria was taken for a trip up river. It is certain that the high in authority, an earnest of which was the slaying of Acting Governor General Von Lirleskarsky at Warsaw to make the trip a delightful one. The Victoria will probably return to the city about six o'clock.

At a meeting this morning the reports for the year were read. These showed that the order is on a fine upward curve, and the membership is growing rapidly. In the St. John lodge the membership has been greatly enlarged. Supreme Chancellor Charles E. Shively expressed himself as much pleased with the very encouraging reports.

Mr. Shively will make an official visit to the grand domain of the Maritime Provinces. He has just completed his tour of the grand domain of the province of Quebec.

In speaking of his visit to the Upper Canadian lodge Mr. Shively expressed the opinion that Pythianism was rapidly progressing in the cities of Quebec and Montreal.

At present the order has a membership of 600,000. "The Canadian people," said Mr. Shively, "show the same prosperous condition as the people of the United States." Mr. Shively will probably leave for his home in Richmond, Indiana, on Thursday.

COLLINS WILL NOT BE TRIED UNTIL JANUARY

He Remains Perfectly Contented at Central
Station—Father McAlulay Not
Here Yet

In a central police station cell Thomas Francis Collins, who will be charged with murder, is calmly awaiting developments. He spent a good night and ate his breakfast like a healthy hungry man this morning. It was expected that Sheriff Lynde of Albert would arrive this morning with Fr. McAlulay, but till after noon they had not put in an appearance at police headquarters.

If Collins is tried at the next regular sitting of the circuit court in Albert Co. his trial will begin on the third Tuesday of next January. In that county there are only two sittings of the circuit court, one on the fourth Tuesday in June and one in January.

The counsel for the defense, however, might ask for a change of venue on the ground that the prisoner could not get a fair trial in Albert Co. on account of the hard feeling naturally felt towards him there. In that case the time of his trial would depend upon the county in which he is tried.

A meeting of the members of the City Laborers' Union will be held this evening at their rooms, Sutherland's Hall, Union street. As matters of importance will be brought before the meeting a full attendance is requested.

The body of the late Mrs. Susie A. Parlee was today taken to Norton for burial.

GRAND JURY BROUGHT IN SEVERAL TRUE BILLS.

PEOPLE DEMAND
A DICTATORSHIP.
Campaign of Murder is Beginning in Russia.

Emperor Nicholas Attended the Funeral of
General Min but Was Closely
Guarded.

ST. PETERSBURG, Aug. 28.—The court at Peterhof apparently is divided as to how to meet the campaign of the terrorists. Premier Stolypin and his cabinet, however, have taken a stand against repression upon a scale which would drive the whole population into revolt.

The premier's views are reflected by the Russia, today, which declares that the government must not be frightened into abandoning the reform programme. It is only necessary the paper asserts, to draw a line between loyal opposition and those who by word and act seek the destruction of the government.

The Novos Vremya, proposes "as an exit from the horrors of the worst kind of civil war," to confer upon the cabinet authority to "prepare a constitution which will realize the hopes of the sane liberals."

The Svet continues to advocate a concert of the powers to suppress anarchy and anarchy. Against these moderate propositions the reactionary party at court is urging a dictatorship and the Strana publishes a report that upon the initiative of the council for national defense an extraordinary conference, somewhat similar to that which created the committee on public security after the assassination of Alexander II, has been called to meet at Peterhof during the latter part of the week.

The funeral of the victims of the bomb explosion on Saturday last at the residence of Premier Stolypin occurred today under military escort. In spite of the menace of the active war by the terrorists against those high in authority, an earnest of which was the slaying of Acting Governor General Von Lirleskarsky at Warsaw to make the trip a delightful one. The Victoria will probably return to the city about six o'clock.

A funeral mass over the body of General Min in the Peterhof camp, a considerable distance from the palace, but the precautions for the protection of the imperial family were adequate, and the sovereign returned to the palace without incident. Several of the grand dukes and delegations from all the regions in the St. Petersburg district were present.

The body of General Min will be brought to St. Petersburg tomorrow on board a royal train over the special imperial line which is used only in journeys of the emperor between Peterhof and St. Petersburg. The Semenovskiy station will meet the body at the station and escort it to the regional chapel. Officers and men of this regiment have received many communications threatening them with bombs and other reprisals.

The supposition that the slayer of General Min was the "servant" of the party concerned in the Stolypin attack has been disproved, further investigation showing that the woman had been living under an admittedly false name with a peasant family in the village of Luzina, near Peterhof, since August 18. She was brought to St. Petersburg today in irons.

Up to midnight no confirmation had been received from Louis of the reported assassination of Colonel Riekmann.

Premier Stolypin's daughter is still alive but is very nervous from shock. There is some dissension in the camp of the social revolutionists over the decision to wage a war of terrorism against all officials, as is manifested by the party washing its hands of the attempt on the life of the premier, which is attributed to the "flying group" or younger members of the party.

USOVLA, Province of Saratov, Aug. 28.—Two police sergeants and a rural guard were shot and killed on the streets here today by revolutionists armed with revolvers.

ADD RUSSIA.
MOSCOW, Aug. 28.—The monarchial party, in an address to the emperor just published, openly appeals for a dictatorship "which will put an end to the demoralization in the army, and also urges the complete suppression of the unlimited autonomy." Should his majesty, however, insist on retaining the parliament the monarchists promise loyal participation in the elections on the condition of a change in the election law providing for the exclusion of the Jews from the suffrage.

The black hundred organizations are conducting an agitation against the intelligentsia and Jews.

April 28.—Police and troops today surrounded a lodging house on St. Ilya street, where bombs had been discovered. The revolutionists inside fired with rifles from the windows on the troops and also threw a bomb, whereupon the troops riddled the house with bullets, killing or wounding all the inmates. Two men and a woman were killed. At another place in the suburbs a Lithuanian was killed and several were wounded while resisting arrest.

Criminal Cases Will be Taken
Up in County Court Tomorrow—Judge Forbes
Compliments the Police
Force.

The August sitting of the county court opened this morning with Judge Forbes presiding. In addressing the grand jury his honor briefly reviewed the cases which were to come before the court. He dealt with the criminal cases and remarked that St. John for a seaport town was remarkably good morally. He also spoke in glowing terms of the excellent work done by the St. John police in capturing Collins, the suspected murderer. Referring to the case of the King vs. Sally, his honor remarked that there was no doubt that an assault had been committed, and he felt that the law should deal with such cases in a summary manner.

The King vs. Kerrigan was next spoken of by his honor. He said that in this case James Kerrigan was charged with throwing an iron belying pin from his vessel at the Christopher brothers in their fishing boat. His honor remarked that the harbor was at all times beset with dangers without any additional risks being imposed. He then briefly reviewed the case of the King vs. O'Brien, saying that this was a case of assault and robbery.

In the case of the King vs. Hanley the attorney general will consider whether the indictment shall be made on the charge of rape or criminal assault.

The following is the list of grand jurors summoned: James E. Stanton, Geo. F. Barnes, S. J. Hatfield, W. G. Scott, Joshua Ward, James A. Sedgwick, L. L. Sharpe, Charles Robinson, J. C. Doherty, F. A. Dykeman, J. E. Secord, J. H. Noble, J. H. Northrup, S. Purdy, James E. Quinn, Charles H. Ramsey, R. C. Parkin, J. W. Russell, G. L. Campbell, S. C. Drury, J. D. Driscoll, David Magee, Charles D. Jones, P. J. Smith.

The following were called as petit jurors: Edward J. Harrison, F. C. Melick, John Rhea, P. E. McManus, L. H. Bull, G. W. Parker, J. W. Morrison, C. A. Clarke, F. L. Tufts, D. R. Coles, C. E. Vall, J. M. Reid, Michael J. Cullinan, Thomas Graham, W. T. Burditt, M. D. Austin, M. J. Nugent, S. J. Withers, O. G. Withers, G. H. Perry, Frank McCaffery.

The grand jury after being out for one hour during their foreman, Chas. D. Jones, returned true bills in the cases of the King vs. Kerrigan and the King vs. Sally, but in the case of the King vs. O'Brien they would consider after hearing more evidence which is to be submitted to them by the attorney general.

The docket for the court was made up as follows:

CRIMINAL.
The King vs. Leo Sally, indecent assault—Hon. H. A. McKeown for the crown.
The King vs. John Kerrigan and James Kerrigan, aggravated assault.
The King vs. James O'Brien, theft.
BASTARDY DOCKET.
The King vs. Robert Johnston—G. R. Vincent, clerk of the peace, enters this case.

CIVIL DOCKET.
Jury Cases.
Appley vs. Appley—J. B. M. Baxter.
J. W. Vall vs. Rupert Wry—J. B. M. Baxter.
Non-Jury.
J. Morrison vs. Green—MacRae and Sinclair.
Lockhart et al. vs. J. B. Gunter—MacRae and Sinclair.
J. M. Titus et al. vs. Joseph Beatty—A. A. Wilson.
Simon Jones Company vs. John A. Humble—H. H. Pickett.
Shane et al. vs. Errol et al.—MacRae and Sinclair.
James vs. Carter et al.—W. B. Wallace.

Dr. MacRae applied for naturalization papers for Anastasia Papageorgiou, a Greek. E. R. Chapman also applied for naturalization papers for Aron Lieberman, Wolfe Horowich and Mark Minecky.

The court then adjourned until ten o'clock tomorrow morning when, if the case of the King vs. Kerrigan is not ready to be proceeded with, the court will take up the civil cases.

WILL HAVE TO BUILD A NEW COFFERDAM

To Finish the Laying of the Intake Pipe
in Lake Latimer.

Mayor Sears today endeavored to gather a number of aldermen and officials to go to Lake Latimer in order that they might see for themselves what has to be done to the lake. The Star is forced to understand that in order to extend the intake pipe to deep water a new cofferdam will have to be built. This whole work will occupy at least a month or six weeks and will mean an additional outlay of thousands of dollars.
