### THINK INDICATED ROUTE WOULD

PARALLEL G. T. P.

OTTAWA, Ont., May 28.—The Atlantic and Western Railway application for the confirmation of a route map from Matapedia to Edmundston extending across Northern New Brunswick, was made to Mr. Butler, deputy missister of railways, today. The engineer of the company and the solicitor urged that the application be granted. Premier Pugsley and Engineer Lumsden of the National Transcontinental railway objected to the indicated route because it turned to the south instead of going straight from Matapedia to Edmundston and would parallel the National Transcontinental for twenty-three miles, from near the mouth of the Grand River up the St. John to Edmundston.
