#### GETTING READY FOR CHAMPIONSHIP SERIES

Marathons and St. Peters Both Practicing Hard — Gollegiate Team

Tonight in the Aberdeen St. Barracks, the New Aberdeen band will render a vocal and instrumental program. The meeting opens at eight o'clock.

Mayor Bullock was back at his desk this morning, after a holiday of several days spent at Campobello, where he had some excellent deep sea fishing.

A telegram from Chester Martin last evening announced that he had accepted the position of Professor of Modern History at the University of Manitoba. Mr. Martin will probably enter upon his duties at the opening of the fall term in October.

The Marathons and St. Peters turned out for practice on the Shamrock grounds last evening. The boys worked vigorously and showed plenty of good playing. Interest reigns at a high pitch over the match on the grounds tomorrow afternoon, when the championship series will be made this evening as to the batteries for the game.

The double umpire and scoring system will handle the indicators at the match. There is some uncertainty over the proposed visit of the all-Boston Collegians, who were to have played the Marathons next week. It is feared the team has disbanded and necessarily the trip has been abandoned.
