THE CRY OF THE WEST

The West is crying out for more laborers to assist in the harvesting. There is a great scarcity of farm help in the West, and as the number of laborers who went from the provinces in the three excursions was only half of what was expected there is a great shortage, and in order to save the crop it is necessary for the West to have additional assistance from the East, hence the cry, "More Harvesters". Thousands more are necessary, and it is earnestly hoped the cry will be heeded.

The Canadian Pacific Railway is called upon to run another farm laborers excursion which has been arranged for September 28th. The arrangements will be the same as were in effect for the previous excursion. Fares from Saint John to Winnipeg \$12. Tickets will be issued from points on the Intercolonial, Prince Edward Island and Dominion Atlantic railways at same rates as were in effect for previous excursion.

BOSTON SPORTS SEE SOME FAST FIGHTING

Three Lively Bouts Mark Opening of the Season—Two Judges and a Referee Rendered Decisions.

BOSTON, Aug. 24.—Well known Boston boxers contributed 29 rounds of fast fighting at the opening boxing show of the season at the Army Athletic Association tonight. In the star bout Honey Melloy, claimant of the welterweight championship, went against Billy Rife. Rife forced the fighting throughout, and except in a couple of the 12 rounds had the best of the bout. Two judges disagreed on the decision and Referee Flaherty called the match a draw.

Larry Conley, boxing instructor at Cornell University, went against Young Jack Johnson, colored, for eight rounds. This decision was given to Johnson.

An innovation was the rendering of the decision by two disinterested judges from the ringside, the referee to decide in case of tie.

GERMAN YACHTSMEN AT MARBLEHEAD

MARBLEHEAD, Mass., Aug. 24.—The German sloop yacht visitors were formally welcomed to Marblehead tonight at a banquet at the Eastern Yacht Club. Nearly two hundred yachtsmen attended. Thousands were drunk and some were in a state of semi-consciousness. The Emperor William across the ocean.

IDEAL MOMENTS NOT PLACED IN MONTREAL RACE

MONTREAL, Aug. 24.—Ideal Moments, owned by Fred Donnan, of St. John, competed in the 230 pace at Delmar Park today but could not get up closer than fourth in any of the first four heats. The St. John horse was fourth in the first and third heats and sixth in the second and fourth heats. The race was unexciting at the end of the day. Addition, a Vermont horse, captured the first heat, Lady Simon, owned in Montreal, the second, and Ametto, from Schenectady, the next two. Best time was 2:16, made in the first heat.

THE PITCHERS' RECORDS

One of the most unsatisfactory records kept by baseball statisticians is that of the pitchers in the big leagues, so far as concerned the winning and losing of games.

Scores, of course, had "nothing to do" when recording the credits and charges in the games where a team uses only one box man throughout the season, but when a team uses two pitchers, perhaps three or even four, it's no easy task to place the credit for a victory in the right place or to put a pitcher's name in the defeat column, especially his fellow pitchers officially from blame.

JEFFRIES AND JOHNSON

Jack Johnson, in Los Angeles, says he will bet \$100,000 that Jeffries will never fight him, while George, in San Francisco, declares that as soon as Jeffries returns from Europe on Oct. 1 several ranchmen have come to the scratch and will be ready to accept a fight, to take place in Oklahoma, and say they will agree to forfeit the entire amount of the purse if there is interference by the authorities. As Nelson narrowly escaped arrest for boxing a limited round bout at Oklahoma City recently, these ranchmen are believed to be in search of notoriety. If Jeff and Johnson ever meet it will be in California.

Bentley's best Liniment for Sprains, Strains and Rheumatism.

Clark Griffith says he did not expect to finish better than fourth with his Cincinnati Reds this season, but predicts that next year his men will be in the thick of the fight for the National League pennant. This means that during the winter Cincinnati fans will be surfeited, as usual, with championship managers of big and little teams just now.

HOMER CHALLENGES THOMAS LONGBOAT

In a letter to the Hamilton Spectator Edgar F. Shea, manager of Hans Holmer, challenges Tom Longboat to a marathon race, to be held at any place agreeable to the Indian, and for any sum agreed upon, although Holmer prefers the "winner take all" condition. Manager Shea writes: "As I am under the management of Sol Mintz, I would be greatly gratified if you would advise him, through the medium of your sporting columns, that Hans Holmer is willing and anxious to run Tom Longboat a full marathon, 'winner to take all'. Surely this will appeal to the Onondaga. Holmer would also be pleased to run Fred Simpson in Hamilton at 20 miles or more to prove conclusively that when he defeated him last year in the Bay race it was because he was the better man."

Holmer is well known in St. John. He participated in a road race here nearly two years ago and landed premier honors. Canadians Win

MONTREAL, Aug. 24.—The International cricket match was ended today in a victory for Canada by 143 runs. The Canadians won on this morning and were retired at lunch time with a total for the innings of 194. The best American bowler was 122, leaving them on the total of two innings 143 to the bad, one of the worst defeats they have ever sustained in an international match.
