A benefit is always experienced from the first bottle and a yarfect cure is warranted when the above quantity is taken.

Reader, I have peddled over a thousand bottles of this in the vicinity of Boston. It into whe effect of it in everycase. So sure as water will extinguish fire, so sure will this cure humor. I have never sold a bottle of it that that sold another; after a trial it always speaks for itself. There are two things about this berb that appear to me susprising; first that grows in our pastures, in some places vaite plentiful, and yet its value has never been known until I discovered it in 184 - second, that it grows in our pastures, in some places vaite plentiful, and yet its value has never been known until I discovered it in 184 - second, that it should cure all kinds of humor. In order to give some idea of the sudden rise and great popularity of the discovery, I will state that in April, 1853, I peddled it, and sold abilit aix bottles per day of it.

Some of the wholesale Druggists who have been in business twenty and thirty years, say that nothing in the annels of patent medicines was over like it. There is a universal praise rom all quarters.
