* * * St. Mary's S. S. Convention.

St. Mary's S. S. Convention. I am very sorry that an error has occurred in the report of the Baptist Sunday School Convention held at St. Mary's on the 13 and 14. By an oversight the "Buctouche Sunday School programme has been left out which programme consisted of recitations and music which was well rendered. I should like for it to be corrected as we do not wish to leave out such an important part of the convention nor we would not like them to feel alighted after taking the trouble to get up such a good programme and coming so far in the cold. Mas E. H. HICKS, Secretary [In reference to the above it is necess-ary to say that while we are pleased to publish a general report of the proceedings of S. S. Conventions, Quarterly meetings, etc., yet, with the many demands upon our space, it is impossible to print formal pro-grammes of exercises held in connection with these services.—EDDITOR] # # # Acknowledgment.
