BADLY ULCERATED LEG

Ram-Buk Cured Her When So Bad She Had to Use Crutches.

For varicose sores, bad leg, or chronic ulcers, Ram-Buk is without equal as a healer. A proof of this is just to hand from Montreal, Mrs. T. Edwards, of 164 Amherst St., writes:

"Some time ago a bad sore broke out on my left leg near the ankle. For a week or two I did not heed it, but it got so bad that I could hardly walk. I sent for our doctor, and he told me that I would have to lay up with the wound. I did so for three weeks. At the end of that time the ulcer healed a little, but I could only move about by using crutches.

"The sore then broke out badly, and the doctor told me that the only thing that would cure it would be an operation, and that I should have to lay up for a year. This I knew, was impossible, as I had a family to attend to.

"My son had cured a bad cut on his finger by using Ram-Buk, and he advised me to give this a trial. I did so, and in less than a week's time it gave me wonderful relief. It stopped the pain, which had been so bad that many nights I did not get a wink of sleep. In a very short time the wound was so much better that I had no more sleepless nights, and was able to move about with the aid of my crutches. I persevered with Ram-Buk, with the result that the wound is now perfectly cured, and the limb is as sound and strong as ever. To any person suffering from ulcerated sores I would say, 'try Ram-Buk.'

"Ram-Buk is just as good for piles, abscesses, boils, scalp sores, blood poison, festering wounds, cuts, burns, scalds, bruises, eczema, eruptions, and all other injuries and diseases. All druggists and stores 50c. box or Ram-Buk Co., Toronto, for price. Refuse harmful substitutes and imitations. Have you tried Ram-Buk Soap? 25c. tablet.

"Walter Killam, having sold his rotary saw mill, has a fine lot of saws, now arranging to purchase a new and up-to-date mill.

"Messrs. Fox and Hamilton, contractors of Gagetown, are constructing a new wharf at White's Bluff. The wharf when completed will be one of the finest on the St. John River. A large number of the wharf are being built by the late Mr. W. W. O'Leary, who was a member of the St. John River wharf building and building the cribwork.

"Miss Ella Andrews has returned from St. John where she has been working and will remain home for a while.

"The new Baptist church of this place will be opened about the 20th of February.
