### THE ST. JOHN STANDARD TRAVEL CLUB

WHO DESIRE TO JOIN'ITS "TRAVEL CLUB."

The Standard has pleasure in announcing a prize competition open to the Maritime Provinces which it believes will attract a great deal of attention and will be a source of enjoyment and financial profit to a large number of active young men and women, and which will bring a considerable amount of business to this paper. This undertaking is in the form of a "Travel Club." Arrangements have been made whereby this paper has joined with a syndicate of twenty or thirty newspapers in Canada and the Eastern United States in the promotion of an important excursion across Canada to Alaska and return east through the United States. The entire party numbering in the vicinity of two hundred will leave Toronto about the middle of July on a special train, travelling over the Grand Trunk Pacific. Stops will be made at all the important points on the way west. There will be excursions and side trips to different places of interest, the western train trip terminating at Prince Rupert. From there a steamer will be taken for three days northward journey through the wonderful Inland Passage to Skagway where a day or more will be spent. The party will return by steamer over the same route but will go by Vancouver, Seattle and Portland, where the train will be taken for the eastward journey. Coming east stops will be made at many of the principal cities, and there will be a two days side trip through Glacier National Park. The entire trip will occupy about thirty-two days, and all expenses will be borne by the newspapers participating in the affair.

The Standard has made a very satisfactory contract. This paper may send two or more members with the party, the winners of the trip to be selected by the votes of the readers of The Standard.

It has been arranged by The Standard that six trips shall be offer-in this way, of which five will be awarded to the five persons ob-ning the highest number of votes, while the sixth trip will be given addition to one member of the club who secures the leading position. This is an undertaking in which when anyone enters it is easy secure the co-operation of friends who will save votes for them and a will help in every way possible.

Everything will be over in two months and The Standard strongly advises all those who would enjoy such a magnificent outing as is now being offered or who would appreciate a year in college to get busy at once. Other particulars will be found in anannouncement elsewhere in this paper and all who are interested should write for instructions. This club will close on June 24th.
