Minister of Education, } ROBT. MOLEMAN, }

This Company has been formed on the basis of the "United Kingdom Temperance and General Pro-  
vident Institution of Great Britain," which is one of the most successful of British Companies.  
The Company is receiving applications and issuing Policies on the most approved plans, without any  
objectionable conditions.  
This is the only Canadian Company that secures to abstainers the full benefit of their superior lives by  
being kept in a class by themselves.  
The experience of the "United Kingdom Temperance and General Provident Institution" for the past  
eighteen years was about 30 per cent. in favor of total abstainers. The "Whitington Life Assurance Com-  
pany" shows the mortality for the last six years to be 22 per 1000 in the Temperance Section  
to 51 per 1000 in the General.  
The death rate in the "Sceptre Life Assurance Company of Great Britain" was for the last ten years  
over twenty per cent. in favor of total abstainers.
