

WHY DO YOU DRINK TEA?

Because, when it is good tea, it is a refreshing, invigorating, healthful beverage.

You do well, when buying tea, to get tea which is known as a rich, perfectly pure tea.

Otherwise, you will not obtain the helpful and delightful effect that good tea gives.

For many years Blue Ribbon Tea has been known as a most excellent tea--makes many cups to the pound--always delicious in flavor--a pure, rich, satisfying tea.

You ought to try Blue Ribbon Tea. Its popularity has been growing in a wonderful way; people who have started using it telling their friends how pleased with it they are.

Buy a packet of Blue Ribbon. Find out for yourself how good it is. Perhaps you have never yet really known how truly delightful to the taste good tea is. You **will know** if you drink a cup of Blue Ribbon.

But if you are not fully satisfied, return the balance to your grocer and he will at once refund your money.
