Moose Jaw

The railway centre of the C.P.R. in South Saskatchewan.

The rush for land continues this year as follows: January 642 entries, February 464 entries, March 1125 entries. Since April 1st, there have been over 100 entries a day. MOOSE JAW is reaping a harvest from the in-rush of settlers.

City buildings and improvements in sight this year: Collegiate Institute \$125,000; Fire Hall \$30,000; Anglican Church \$30,000; Y.M.C.A. to be completed \$80,000; 5 Business Blocks each \$25,000; 50 private residences each from \$3,000 to \$10,000; extension of C.P.R. yards estimated expenditure this year \$200,000; water and sewer extensions \$38,000; other city improvements \$70,000.

A street railway with two or three radial lines to rural points is being considered.

Resources are lying idle, simply for the lack of more men and more money for development.

In such a growing city there are always openings for investment.
