

Thousands came out to enjoy the Festivities in Quad all week.

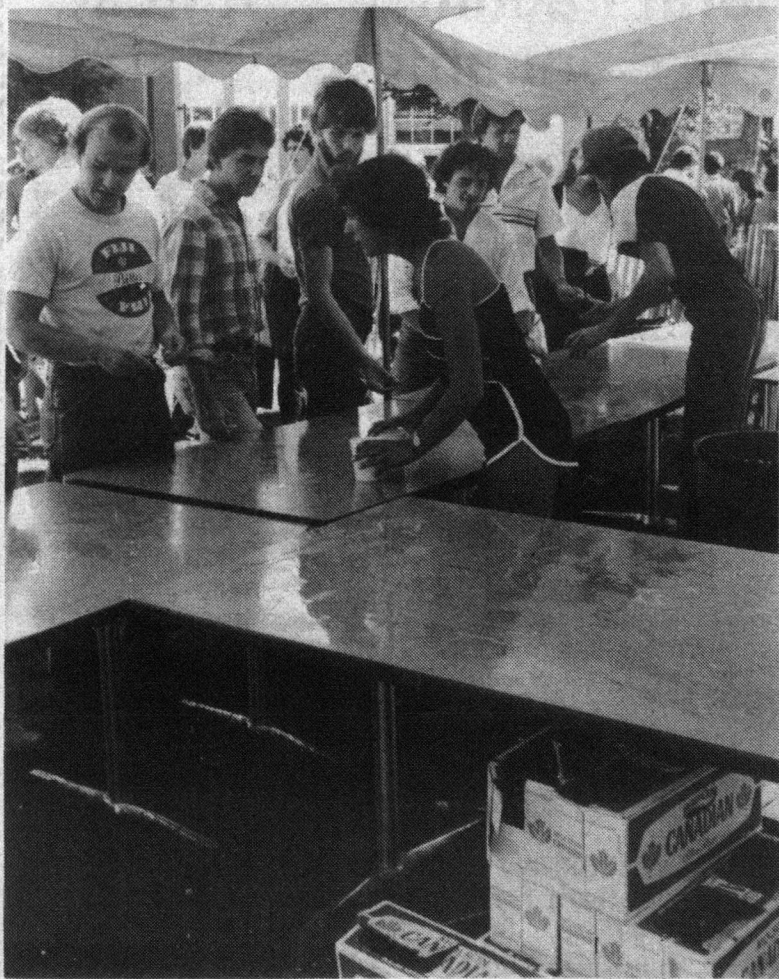

# The beer runneth over

The place to be this week is Quad for a relaxing way to spend the afternoon. Featured are bands and beer, not to mention a dunk tank where can support the Fireman's Burn Center and perhaps dunk people like U of A president Myer Horowitz and SU president Phil Soper. With the weather being as nice as it has been recently, and cold beer to enjoy, what a perfect Freshman Indoctrination WEEK THIS HAS BEEN. The Students' Union wishes to express thanks to all who contributed their time and effort to make it all happen.
