

Make it look good.

Whatever your graphic needs are, call us at
The Gazette first.

Typesetting

Whatever your typesetting needs are, from book publishing to the simple resume, we can provide a fast and economical service to suit your needs. Our typestyles include a wide variety of Times, Megaron, Baskerville and other faces.

Resume Package

Get a professional looking resume that will stand-out among others in the tight competition for jobs. A complete design and typesetting package can start as low as \$25 for most resumes.

Illustration

Whatever your illustrative needs may be, whether for advertising or editorial copy, our stable of trained artists can get the job done.

Design

Our complete design shop can cater to whatever your graphic needs may be. If you're putting out a book, a newspaper, a pamphlet, a flyer, a poster or advertising campaign, contact us first. Professional service is available at less than professional rates.

Consultation

If you've got a graphic job to get done and don't have a clue where to start, call us. Our friendly staff makes it so easy to get the job done well and at a price you can afford.
