Possibly the fact that we had only the one case may justify Dr, Graham's course in the eyes of the department, If so I have no right to object. But since to the best of my knowledge it seemed lacking in effectiveness, I feel it my duty to report the facts so that if necessary steps may be taken to prevent a recurrence of faulty measures another time when the results might be much more serious.

I have the honor to be,

Sir,

your obedient servant,

*J. A. Sinclair*  
Principal.

The Indian Commissioner.

Winnipeg,

Man.
