Mr. Alex. D. Bruce,
R.R.No. 1,
Unionville, Ontario.

Dear Mr. Bruce:

Your letter of the 17th instant, received to-day, will be brought to Mr. King's attention as soon as he returns to Ottawa, probably on Thursday next.

I am glad to gather from your letter that good progress is being made in the organization work. I had a talk with Mr. Broughton of Newmarket last week, and he was quite enthusiastic about the way things are going ahead. From one or two other quarters also, reports have been quite favorable. But of course, the big work is ahead.

By the way, I should be obliged if you would make a point of securing for Mr. King a few copies of any printed matter that may be issued by the North York Committee, and sending them here as they are published. If I could have, for instance, half-a-dozen copies of the song sheet, I should like to keep them with other publications for the purpose of record.

With all kind remembrances,

Believe me,

Yours very sincerely,

F. A. MCGREGOR.
