Mr. Lawrence Hunt,
60 Broadway,
New York, N. Y.

Dear Lawrence:

I thought you might like to read some observations of Dr. C. E. Silcock. The enclosed is a report prepared by him, which embodies his representations made at a meeting of the Canadian Institute of International Affairs, in May. He was not free to mention the views of any others, and therefore, no other names are mentioned.

While writing, I may add that I am now well on in the perusal of the book "Prophets and Peoples" which you sent me, and am enjoying it very much. It is a very scholarly production.

Yours sincerely,

AM/E.
Encl.
