Dear Sir:-

In reply to your favor of the 26th., Ult., we thank you for your kind words of appreciation regarding the design and workmanship of the memorial bronze to the memory of your sister, too often carefull work is unappreciated, just considered a matter of dollars and cents and to receive a letter expressing satisfaction is an encentative to aspire to higher ideals.

We are mailing under separate cover photographs taken from tablet. The cost for prints from negative are as follows:- On the large prints \$3.60 per dozen (there is no cost attached to this negative). On the postal card size \$1.25 for negative and one Print, and \$1.25 per dozen on further requirements.

Trusting you will be pleased with the prints and would say in this connection that if there are any defects on tablet it is sure to be noticed on the photograph, there was a slight mar on the background at the bottom of tablet which shows on the photo, this has since been rectified.

Yours sincerely,
Patterson & Heward.

GEP/MF.
