RULE 18.—If the company destroying the car elects to rebuild it, no allowance shall be made for betterment. In such case the car-truck or body shall be rebuilt by and at the expense of the road destroying it, upon the same plan and of the same kind and quality of materials as originally constructed, within sixty days.

RULE 19.—Running repairs, namely: Such parts as fail under fair usage or require frequent renewals from wearing out or failure resulting from faulty construction on cars belonging to private parties shall be paid for by the parties owning the car. This not to include cars bearing the initials of any railroad company, or that are cared for by a railroad company.
