

Business Knowledge

is the great underlying power that pushes young men and women on to success, whatever their occupation may be. It makes them solid, substantial and practical. It is of such inestimable value that it should be secured by all. A business or shorthand training can be acquired in less time and at less expense than any other reliable means of livelihood.

One School that possesses **A NATIONAL REPUTATION FOR HIGH GRADE WORK**, and one that is **UNEXCELLED IN CANADA**, is the

**Cor. Yonge and Alexander Streets
TORONTO, ONT.**

Aim to succeed. Make up your mind that there is a better position in this world for you, and **be determined that you will get it.** When you have formed this determination, **stick to it** and march straight onward to the mark, without turning to the right or to the left, without fear or favor, without flinching—**straight to the mark called "success."**

We know it **pays to get a business education**, and have seen it illustrated in thousands of cases. You cannot invest your time and money to better advantage than by taking a course in our College for the purpose of being thoroughly prepared for business life. **We have satisfied others and can satisfy you.**
