enter the novitiate in Hamilton and received the Habit on March 25, 1876, with the name of Sister Mary Regina. Until her last illness hospital duties engrossed the greater part of her time and attention. The deceased Sister took an active interest in the young girls associated in the various works of the community. For them the example of self-sacrifice and devotion daily manifested by their religious friend exercised a beneficial influence and proved an incentive to higher aims.

The funeral ceremonies took place at St. Joseph's Hospital Guelph. Reverend F. Wafer Doyle, S. J., sang the Requiem Mass, Reverend A. McCaffery, S. J., and Reverend W. McManus, S. J., attended in the sanctuary. Rev. Quirk, S. J., officiated at the grave.

MRS. MARY CARROLL

The death of Mrs. John Carroll occurred at her home, 201 John Street, London, Monday, May 22nd, 1922. Deceased had been in failing health since Christmas but only seriously ill during the past month. Although aware that recovery was impossible she was yet cheerful and contented and reconciled to God's holy will to the last. She was a devoted member of St. Peter's Cathedral.

Her funeral, which took place Wednesday, May 24, was attended by a large concourse of sorrowing relatives and friends to St. Peter's Cathedral where a Requiem Mass was celebrated by Rev. Father Kelly, cousin of deceased. Mrs. Carroll leaves to mourn her loss a host of dear friends; this was evidenced by the large number of Mass cards and floral offerings. Many children will also miss her happy smile and friendly greeting as she was a friend to them all.

She is survived by one son Michael, and five daughters, Margaret, Bee, Julia, Mrs. P. Mitchell, Mrs. Wm. Casey and grandson, Leo Mitchell. R. I. P.

Owners of securities falling due within the next few years will do well to consider now plans for re-investing their principal.

The prevailing tendency toward lower interest rates renders it doubtful whether today's attractive interest returns will be available when such bonds mature.

We will therefore be pleased to facilitate profitable re-investment by exchanging long term securities for older bonds that are nearing maturity.

Also we shall at all times be glad to discuss general investment questions with you.

Possibly no other part of the world gives up to its people a greater expanse of country for recreation purposes than Canada. From the Atlantic to the Pacific large tracts of territory have been set aside by the Dominion or Provincial Governments—great unspoiled kingdoms, where nature and beauty vie with each other, where bird and animal life is unmolested, and where everything is as nature planned it. Just what this means to mortal man it is difficult to estimate, but it makes life worth while for those who embrace the opportunity of spending their vacation in these great open spaces. These playgrounds are, in addition, a great national asset, as thousands of tourists annually from all parts of the world worship with us at our scenic shrines.

Of the great Canadian National Parks, Jasper Park, which has an area of 4,400 square miles, is without a peer. In fact, it is doubtful if anywhere in an equal area such mountain scenery and wonder features can be found—majestic peaks, snowfields and glaciers, deep canyons and mighty rivers on every hand. Jasper Park Lodge is at present being constructed and will be ready for the reception of this year's tourists. It will be operated by the Canadian National Railways.
